STRENGTHS

- Risk Management Expertise**
 Identified potential project pitfalls early, promoting a proactive culture of risk assessment and mitigation. Colleagues noticed improved response times to project challenges.
- Effective Communication**
 Cultivated strong relationships with stakeholders through clear updates and transparent discussions, leading to improved trust and collaboration on projects.
- Leadership Presence**
 Demonstrated executive leadership during high-stakes situations, resulting in successful team navigation through difficult phases, earning respect from peers.
- Agile Methodologies Advocate**
 Implemented Agile processes within teams that resulted in noticeable increases in project efficiency, transforming workflows for better outcomes.
- Stakeholder Engagement**
 Regularly engaged stakeholders at all levels, initiating feedback loops that enhanced project buy-in and support, often regarded as a key contributor.

- Project Management
- Cybersecurity Strategies
- Risk Management
- Agile Methodologies
- Waterfall Methodology
- Stakeholder Communication
- Team Leadership

SUMMARY

Dynamic Project Manager with over 6 years of leading cybersecurity initiatives and managing complex projects. Proven track record includes coordinating cross-functional teams to deliver impactful results that align with business objectives. Skilled in both Agile and Waterfall methodologies, providing effective project execution while ensuring comprehensive stakeholder communication. Strong organizational skills ensure timely delivery within budgets. Key achievements involve proactively identifying risks and translating cybersecurity requirements into actionable plans. Committed to fostering collaboration across departments, particularly focusing on risk management and regulatory compliance in high-pressure settings.

EXPERIENCE

Project Manager – Cybersecurity

SecureTech Solutions 📅 June 2021 - Present 📍 Naperville, IL

Oversee multiple critical cybersecurity projects that align with enterprise security strategies and regulatory requirements. Ensure exceptional project management practices by developing detailed plans and budgets, facilitating stakeholder coordination, and adapting to evolving project needs.

- Developed comprehensive project plans, timelines, and budgets for tracking resources effectively.
- Managed regular status reports and communications, addressing stakeholder inquiries promptly.
- Coordinated with Cybersecurity, IT, and Compliance teams to guide successful project execution.
- Proactively identified and mitigated risks while tracking milestones and deliverables.

Project Coordinator

CyberSecure Innovations 📅 March 2018 - May 2021 📍 Elgin, IL

Supported project managers in delivering cybersecurity initiatives across various domains. Focused on maintaining documentation, streamlining communication, and facilitating alignment among diverse stakeholders during project lifecycles.

- Assisted in project planning and execution across multiple cybersecurity efforts.
- Maintained detailed and organized project documentation for team reference.
- Monitored milestones and provided timely updates to senior leaders about progress.
- Fostered collaboration and open channels of communication among functional teams.

LEADERSHIP & AWARDS

- Awarded 'Outstanding Project Leadership' for consistently exceeding project expectations.
- Recognized as a top performer in team achievement at SecureTech Solutions for three consecutive years.
