EXPERIENCE

R&D Chef June 2021 - Present
Culinary Innovations Los Angeles, CA

Oversaw entire culinary project lifecycles, focusing on product development and innovative recipe creation. Fostered collaborations among cross-functional teams, enhancing project delivery aligned with current market demands while maintaining a meticulous approach to managing timelines and quality.

- Spearheaded innovative menu concepts tailored for client specifications, aligning with trends and operational constraints.
- Collaborated closely with design and marketing teams, refining proposals that enhanced client satisfaction rates significantly.
- Executed comprehensive research on industry ingredients, informing item selections and sourcing protocols for high-quality outputs.
- Ensured kitchen cleanliness and organization practices were upheld consistently, balancing desk and cooking hours efficiently.
- Participated in culinary workshops fostering team skills and knowledge transfer, promoting continuous learning culture.
- Engaged directly with clients in feedback sessions, adapting culinary offerings based on valuable critique.

Sous Chef March 2018 - May 2021
Gourmet Catering Co. San Diego, CA

Contributed significantly to catering operations by supervising food production and ensuring delivery exceeded customer expectations through adherence to rigorous standards.

- Facilitated large-scale meal preparations, assuring quality execution and presentation while meeting client requests.
- Conceptualized seasonal menus based on ingredient availability and market preferences, increasing overall client engagement.
- Guided and trained junior kitchen staff, promoting a supportive and educational kitchen atmosphere critical for growth.
- Implemented health and safety measures, successfully reducing incidents and fostering confidence in kitchen operations.
- Negotiated vendor agreements, optimizing ingredient purchases for cost efficiency without compromising on quality.
- Coordinated closely with event planners, permitting seamless integration of culinary themes across catered events.

Line Cook January 2016 - February 2018
Savory Delights San Francisco, CA

Operated effectively in a bustling kitchen environment, executing precise dish preparation and plating under pressure while sharpening culinary techniques and teamwork principles.

- Maintained high standards in food quality and consistency via rigorous adherence to recipe guidelines and cooking procedures.
- Worked alongside chef leadership to innovate around flavor profiles, stimulating customer satisfaction reflected in positive reviews.
- Assisted management with inventory oversight and supply procurement, maintaining an operationally capable kitchen.
- Engaged in collaborative recipe testing sessions, integrating consumer insights towards the refinement of existing menus.
- Ensured sanitation and overall cleanliness adhered undeniably growing a culture of responsibility and accountability.
- Mentored newest hires on important kitchen protocols prioritizing safe food handling and effective teamwork methodology.
