Eager to leverage expertise in inventory management logistics to enhance operations within New Era Supply Co.

EXPERIENCE

Receiving Associate

Cargo Logistics Inc.  June 2025 - Present  Lexington, KY

Supports the logistics team by efficiently executing purchase orders, processing shipments, and managing accurate inventory flow. Acts as a key participant in maintaining operational clarity while ensuring an organized workspace.

- Efficiently load and unload shipments, ensuring accurate sorting for storage and sales area distribution.
- Utilize scan guns and computer systems to document receipts and maintain thorough inventory records.
- Collaborate with team members to address daily purchase order shortages and discrepancies.
- Implement security tagging and price labeling processes in compliance with established SOPs.
- Maintain optimal stock levels by organizing and restocking merchandise on sales floors.
- Contribute to creating a safe workplace by adhering to cleanliness and organization protocols.

Receiving Associate

Supply Chain Solutions  July 2024 - May 2025  Frankfort, KY

Assisted in managing the flow of goods and services through strategic receiving initiatives. Supported cross-departmental learning, enhancing operational flexibility throughout the supply chain.

- Assisted in the unloading and inspection of incoming shipments, ensuring quality and accuracy.
- Managed daily filing of receiving paperwork, maintaining comprehensive records of inventory movements.
- Supported cross-departmental training initiatives to enhance team flexibility and operational capability.
- Worked independently to execute purchase order processing and inventory checks.
- Engaged in continuous learning opportunities by participating in workshops and training sessions.
- Fostered strong communication with team members to ensure efficient receiving operations.

Warehouse Assistant

Inventory Services Co.  August 2023 - June 2024  Bardstown, KY

Consistently demonstrated commitment to warehouse efficiency through effective product handling and customer service. Played a vital role in the logistical tasks that supported retail operations.

- Supported warehouse operations by efficiently organizing and maintaining inventory levels.
- Operated pallet jacks and forklifts to facilitate the movement of goods within the facility.
- Assisted in preparing and processing merchandise for distribution, setting up for sales displays.
- Conducted regular inventory audits to ensure accuracy and adherence to company protocols.
- Provided exceptional customer service by assisting with inquiries regarding inventory availability.
- Collaborated with the receiving team to streamline operations and improve workflow efficiency.
