SUMMARY

Compassionate and dedicated nursing professional with over four years dedicated to ensuring patient comfort and well-being. Skilled in assisting with daily living activities while adhering strictly to all health protocols and providing personalized care plans. Collaborative team member who actively engages with healthcare professionals to deliver optimal care solutions. Prides self on being approachable, demonstrating respect for patients' privacy, and addressing diverse healthcare needs across multiple facilities within the assigned region. Committed to staying current with industry advancements while promoting both patient dignity and a supportive work environment.

EXPERIENCE

Certified Nursing Assistant

CareLink Health Services 📅 March 2022 - Present 📍 Wilkes-Barre, PA

Delivering high-quality patient care in a long-term facility, focusing on individualized support and nurturing environment.

- Provide daily care services to ensure maximum comfort for residents, fostering a positive atmosphere.
- Collaborate effectively with nurses to create tailored care plans based on individual resident needs, prioritizing holistic health.
- Monitor vital signs accurately, proactively communicating changes and anomalies to medical staff to ensure swift action.
- Assist with personal hygiene, meal preparation, and mobility to enhance residents' quality of life and independence.
- Maintain cleanliness and organization following strict infection control protocols, maximizing patient safety at all times.
- Engage in continuous training and development, staying up-to-date on best practices and emerging trends in nursing care.

Certified Nursing Assistant

WellSpring Home Health 📅 January 2020 - February 2022 📍 Hazleton, PA

Provided compassionate home care, significantly improving quality of life for clients through tailored support and encouragement.

- Delivered personal care and assistance, enhancing the ability of patients to perform daily tasks independently.
- Facilitated clear communication between families and health providers, optimizing continuity and collaboration in care.
- Implemented health and safety standards rigorously, maintaining ethical compliance and safeguarding patient interests.
- Conducted insightful assessments of patient health changes and facilitated timely reporting to care teams.
- Provided companionship, establishing meaningful relationships with patients to build trust and promote overall emotional well-being.
- Participated actively in continuous education programs, focusing on advanced skills and competencies in nursing.
