SUMMARY

Political science undergraduate with supervised experience supporting public service research, constituent focused communication, administrative operations, and clear **written materials**. Academic work includes reviewing legislative, agency, and scholarly sources, coding 120 anonymized public comments, preparing briefing memos, and presenting findings for varied audiences. Campus service work includes maintaining records, responding respectfully to questions, routing matters to appropriate staff, preparing meeting notes, and researching local organizations. Comfortable organizing detailed information, tracking assignments, checking forms, and completing independent work within team priorities. Familiar with **Microsoft Word**, Excel, PowerPoint, **Google Workspace**, **source evaluation**, issue tracking, and professional correspondence. New York academic and community involvement provides relevant awareness of state and local public service concerns. Prepared to contribute careful research, dependable administration, and thoughtful constituent support in a regional government office.

EXPERIENCE

Public Policy Research Project
University Project

January 2026 to Present
Albany, NY

Conduct supervised policy research on New York public service access, combining source review, constituent concern analysis, written communication, data organization, and team presentations.

- Examined **New York** service access through supervised research and organized legislative, agency, and academic sources.
- Coded 120 anonymized public comments into clear issue categories for classroom policy analysis.
- Drafted concise **research** memos separating factual findings from interpretation with consistent citations.
- Built an **Excel** issue tracker for questions, sources, deadlines, and follow up items.
- Presented policy findings in **PowerPoint**, making detailed evidence accessible during team discussion.
- Maintained Google Drive files and completed faculty revisions for a polished policy report.

Student Administrative Assistant
Campus Civic Engagement Office

September 2025 to Present
Albany, NY

Support campus civic engagement operations through constituent style communication, records maintenance, research, correspondence, meeting documentation, and accurate administrative follow through.

- Maintain sign up records, event materials, and routine correspondence for campus service programs.

- Respond to student questions and route matters requiring **staff** judgment to appropriate coordinators.
- Prepare meeting notes, attendance records, and follow up lists in **Google Workspace**.
- Research local service organizations and summarize eligibility details for supervised outreach planning.
- Review forms and spreadsheets for missing information before scheduling and outreach check ins.
- Balance independent assignments with front desk priorities while communicating respectfully with community contacts.

PROJECTS

New York Public Service Access Study 📅 2026

Research connected classroom policy analysis with community concerns, creating a clear source record, issue tracker, briefing materials, and presentation for shared discussion.
