SUMMARY

Compassionate and dedicated Registered Nurse with 5+ years in exceptional patient care across various healthcare environments. Developed, implemented, and adapted individualized care plans aiming for optimal clinical outcomes. Served as the primary liaison among disciplines, ensuring seamless patient treatment. Skilled in assessment and collaboration for discharge planning to meet patients' ongoing needs. Eager to contribute extensive knowledge and heartfelt commitment to a new nursing role at Healthcare Solutions Inc. Fostered professional development through internships and continuous education, driving enhanced health delivery and patient satisfaction.

EXPERIENCE

Registered Nurse

Greenwood Medical Center 📅 June 2021 - Present 📍 Milwaukee, WI

Deliver comprehensive nursing care in a high-paced hospital setting, ensuring compliance with protocols and standards. Collaborates effectively with interdisciplinary teams to assess individual patient requirements and develop personalized care strategies. Actively engages in patient education, equipping families with essential information on treatment options and health management.

- Continuously monitor and document patient status, modifying care plans based on evolving conditions.
- Facilitated communication between patients and healthcare providers, promoting efficient treatment regimens.
- Implemented initiatives to improve patient satisfaction through tailored educational sessions.

Registered Nurse

Springfield Health Services 📅 July 2018 - May 2021 📍 Racine, WI

Provided high-quality nursing care while operating within standard medical guidelines. Engaged in critical patient monitoring functions, recording vital signs and responses to treatments. Developed strong interpersonal relationships, acting as a crucial point of contact to coordinate comprehensive treatment plans for improved patient outcomes.

- Evaluated patients' needs alongside multidisciplinary teams for optimal treatment approaches.
- Participated intensively in discharge planning processes, streamlining follow-up care arrangements.
- Documented patient care experiences in accordance with organizational standards and regulations.

LEADERSHIP & AWARDS

- Employee of the Month at Greenwood Medical Center for outstanding patient care.
- Achieved highest patient satisfaction scores among peers during annual evaluations.

EDUCATION
