### SUMMARY

Passionate Registered Nurse committed to delivering exceptional patient care within the home health sector. Over five years of diverse experience focused on individual patient needs, collaborating in teams, and ensuring compliance with healthcare regulations. Adaptable and proficient in utilizing technology for documentation and communication, eager to apply skills in a new environment. Emphasizes collaboration with nursing staff to improve processes while advocating fiercely for each patient's health. Demonstrated excellence in managing complex care plans and mentoring junior staff, showcasing strong leadership. Driven by a dedication to enhance the quality of life for patients while fostering trust with families.

### EXPERIENCE

#### Registered Nurse

CareWell Home Health Services | March 2023 - Present | Naperville, IL

Serve as a dedicated Registered Nurse in home health settings, applying high standards in patient assessments and care planning. Engage collaboratively with multidisciplinary teams to ensure well-coordinated care delivery and positive patient outcomes. Responsible for maintaining detailed electronic medical records, adhering strictly to Medicare and Medicaid regulations.

- Administer comprehensive patient assessments and tailor personalized care plans.
- Educate patients and their families on managing health conditions effectively.
- Document all interactions efficiently in electronic medical record systems.
- Collaborate with healthcare professionals to optimize patient health outcomes.

#### Registered Nurse

HealthBridge Nursing Agency | June 2021 - February 2023 | Schaumburg, IL

Provided compassionate nursing care in varied home environments, emphasizing patient comfort and safety. Regularly monitored patient conditions and adjusted care plans to reflect performance trends witnessed over time. Developed a mentor role among nursing assistants and LPNs, enhancing team effectiveness through training.

- Deliver quality nursing assessments that inform effective care planning.
- Continuously evaluate patient responses to treatment adjustments.
- Conduct training sessions for LPNs and CNAs on best compliance practices.
- Ensure completion of electronic documentation relevant to patient care.

#### Registered Nurse

Oak Park Community Hospital | September 2018 - May 2021 | Oak Park, IL

Engaged in dynamic direct patient care in a clinical hospital setting, prioritizing safe, efficient interventions alongside full patient satisfaction strategies. Actively participated in policy implementation to enhance overall care processes and trained numerous colleagues in current industry guidelines.

- Administer direct patient care in high-pressure environments effectively.
- Implement new policies aimed at elevating overall patient care quality.
- Participate in ongoing professional development opportunities directly.
- Contribute to training initiatives that cultivate a knowledgeable staff.

### LEADERSHIP & AWARDS

- Recipient of Outstanding RN Award for excellence in patient advocacy and teamwork.
- Founded a wellness program that promoted community health among older adults.
