SUMMARY

Compassionate Registered Nurse with over six months of clinical experience in interventional radiology settings. Demonstrates commitment to patient care through collaboration and mentorship of team members, ensuring effective communication across multidisciplinary teams. Holds a BSN and possesses strong analytical skills for patient assessments while providing both physical and psychological support to patients and their families. Eager to leverage nursing expertise to deliver high-quality care and positively impact health outcomes at HealthFirst Medical Center.

STRENGTHS

- ♥️ **Patient-Focused Care**
Committed to understanding patient needs, prioritizing holistic support and the cultivation of trusting relationships.
- 👩 **Mentorship**
Devoted to nurturing new talent by providing constructive feedback, fostering professional growth and teamwork.
- 💬 **Effective Communication**
Utilized active listening and clear expression to ensure seamless coordination between team and patients, enhancing trust.
- 👥 **Team Collaboration**
Valued team journey and adaptability, frequently inviting peer inputs evaluated to bolster collective decisions.
- ✂️ **Problem Solving**
Employs strong critical thinking skills, assessing situations thoroughly to devise appropriate interventions swiftly.

EXPERIENCE

Registered Nurse

University Medical Center 📅 December 2025 - Present 📍 Chicago, IL

Supports the interventional radiology department focusing on holistic patient care, alongside mentoring staff and implementing safety protocols.

- Coordinated patient care through collaboration with interdisciplinary teams, maximizing favorable health outcomes.
- Conducted thorough assessments addressing both emotional and physical needs of patients and families.
- Mentored newly hired nurses, sharing knowledge about best practices which enriched departmental culture.
- Participated actively in after-hours call rotations, preserving continuity and quality of patient care.
- Implemented updated safety protocols, contributing to enhanced patient safety and overall care quality.
- Engaged in professional development opportunities, enhancing skills specific to interventional procedures.

Nurse Assistant

HealthPlus Clinic 📅 June 2025 - November 2025 📍 Chicago, IL

Provided vital support in a clinic setting, assisting nursing staff with patient care management under supervision while learning daily operation tasks.

- Assisted nursing personnel in delivering exceptional patient care results through diligent adherence to standards.
- Facilitated essential patient assessments, documenting changes that supported timely medical responses.
- Delivered psychological support, enhancing the overall healthcare experience for patients and their families.
- Upheld rigorous infection control guidelines, maintaining a safe and sanitary clinical environment.
- Contributed meaningfully in discussions regarding care strategies, positively influencing clinic operations.
- Gained valuable interpersonal skills through collaborative interactions with patients and healthcare professionals.

LEADERSHIP & AWARDS

- Clinical Excellence Award at University Medical Center for exceptional patient care (2026).
- Outstanding Nursing Student Leadership Award at City University of Chicago (2026).
