SUMMARY

Dedicated Registered Nurse committed to providing exceptional care in fast-paced environments. Over five years of experience across diverse healthcare settings, focusing on post-operative recovery and surgical care. Proven success in delivering clinical expertise, fostering effective teamwork within multidisciplinary units, and engaging in continuous professional development. Eager to enhance patient satisfaction through thorough assessments, innovative treatment plans, and participation in quality improvement initiatives. Passionate about elevating the standard of care while ensuring patients feel valued and supported at every stage of their journey.

EXPERIENCE

Registered Nurse

HealthFirst Medical Center 📅 June 2023 - Present 📍 Chicago, IL

Manage a dynamic 25-bed surgical unit while providing comprehensive nursing care. Focus on supporting post-operative recoveries and enhancing patient education as key aspects of service delivery.

- Conduct thorough assessments and monitor critical vital signs for optimal patient safety.
- Collaborate with surgeons and multidisciplinary teams to craft personalized care plans for patients.
- Educate patients on discharge processes, medication management, and symptom recognition.
- Mentor new nurses and interns, creating a supportive learning atmosphere for skill development.

Registered Nurse

Wellness Hospital 📅 January 2021 - May 2023 📍 Oak Park, IL

Delivered attentive nursing care within a high-demand medical/surgical unit, focusing on patients with multifaceted medical needs.

- Administered timely and accurate medications, closely monitoring patient responses.
- Engaged in team collaboration to ensure coordinated and efficient care delivery.
- Implemented quality improvement measures succeeding in higher patient satisfaction rates.
- Participated actively in departmental meetings contributing to advancements in patient care practices.

Nursing Intern

Sunrise Health Services 📅 August 2019 - December 2020 📍 Evanston, IL

Gained invaluable hands-on experience assisting RN staff in daily clinical tasks in various departments.

- Supported diverse nursing duties while observing experienced professionals deliver patient care.
- Enhanced documentation accuracy by maintaining precise patient charts and records.
- Facilitated communication among nursing staff ensuring seamless transitions of care.
- Took part in training sessions designed to elevate nursing knowledge and skills.
