STRENGTHS

- 🗣️ **Empathetic Communication**
Connecting deeply with patients builds trust and supports recovery. Patients often express gratitude for understanding advocacy.
- 🔧 **Adaptable Problem Solving**
Swiftly identifying solutions during emergencies has reinforced my role as a vital team member. Colleagues frequently seek my insights during challenges.
- ♥️ **Organizational Skills**
Effectively managing multiple priorities resulted in enhanced team efficiency. My peers appreciate streamlined processes I initiated.
- ♥️ **Patient-Centric Focus**
Prioritizing patient needs drives personalized care. Many patients have felt empowered and more engaged in their health journeys.
- 👥 **Team Collaboration**
Developing alliances with diverse teams enhances patient care quality. Recognition from leadership emphasizes contributions along these lines.

SUMMARY

Dedicated Registered Nurse with over two years of experience in medical-surgical settings. Proven ability to conduct thorough assessments, develop individualized care plans, and seamlessly collaborate with multidisciplinary teams. Passionate about patient education and improving health literacy for diverse communities. Committed to optimizing patient outcomes through safe medication administration and effective teamwork. Eager to contribute expertise along with innovative care strategies at Vibrant Health Services while fostering a culture of compassion and excellence.

EXPERIENCE

Registered Nurse

Vivid Care Solutions 📅 June 2025 - Present 📍 Springfield, IL

Fulfill crucial nursing responsibilities by conducting thorough patient assessments and administering medications according to established protocols. Actively collaborate within multidisciplinary healthcare teams to enhance patient care delivery and streamline communication. Develop personalized care plans that reflect individual patient needs and ensure continuity of high-quality care while adhering to hospital standards.

- Conduct comprehensive assessments to evaluate various patient needs.
- Administer medications safely while closely monitoring for adverse reactions.
- Collaborate effectively with medical staff for improved patient outcomes.
- Educate patients on health conditions to promote self-management.

Nursing Intern

Bright Future Medical Center 📅 January 2024 - May 2025 📍 Peoria, IL

Provided key support in patient care efforts by assisting with vital signs monitoring and maintaining accurate documentation. Collaborated with nursing staff in creating and updating patient care plans, ensuring up-to-date treatment protocols are followed. Engaged in patient education initiatives that empower families with knowledge around managing health conditions and making informed decisions.

- Supported daily patient care activities as part of a collaborative team.
- Monitored vital signs and documented findings efficiently.
- Assisted in developing treatment protocols with nursing staff.
- Educated patients about health and self-care management.

Clinical Volunteer

Sunshine Community Clinic 📅 July 2023 - December 2023 📍 Bloomington, IL

Gained practical experience in a community clinic setting by assisting healthcare professionals in delivering high-quality care to underserved populations. Helped facilitate health workshops focused on preventive care and general wellness while strengthening community ties.

- Assisted clinical staff in patient assessments and basic care tasks.
- Coordinated with local organizations for health outreach initiatives.
- Educated attendees on available health resources and services.
- Fostered supportive connections within the community.

LEADERSHIP & AWARDS

- Received the RN Excellence Award for outstanding patient care in 2025.
- Recognized as Employee of the Month in March 2026 for exceptional teamwork.
