## SUMMARY

Passionate Registered Nurse with a strong background in critical care nursing and over five years of experience providing exceptional patient care. Focused on direct clinical practice within the Neuro ICU, developing and implementing tailored patient care plans while ensuring adherence to healthcare policies and protocols. Committed to fostering collaboration among various disciplines to enhance patient outcomes through effective communication, evaluation, and timely documentation. Eager to contribute valuable insights gained from experiences at HealthFirst Hospital, where prioritizing safety and promoting best practices built executive confidence in decision-making and operational efficiency.

## EXPERIENCE

### Registered Nurse - Neuro ICU

HealthFirst Hospital  January 2023 - Present  Milwaukee, WI

Provide direct nursing care in a dynamic Neuro ICU, collaboratively influencing patient outcomes through interdisciplinary teamwork. Manage comprehensive patient assessments and modifications to ensure high-quality care that meets established protocols.

- Deliver nursing care under clearly defined standards and protocols, improving care quality.
- Lead cross-functional coordination in patient management, enhancing interdepartmental relationships.
- Document patient conditions accurately and promptly, maintaining compliant records for optimal care.
- Facilitate discharge planning needs while liaising effectively with other healthcare providers.

### Registered Nurse

Wellness Medical Center  June 2021 - December 2022  Greenfield, WI

Adapted skilled nursing roles in a busy medical-surgical environment, collaborating with a diverse team to foster patient well-being. Developed individualized nursing interventions following thorough assessments and physician guidance.

- Implemented effective care strategies based on assessed needs to optimize patient recovery.
- Provided creative solutions to meet the evolving healthcare requirements of patients.
- Collaborated closely with families to educate them about ongoing health management and care approaches.
- Streamlined workflows by initiating a patient education program that enhanced engagement.

### Nursing Intern

Caring Hands Clinic  June 2020 - May 2021  Milwaukee, WI

Supported a dedicated nursing team while gaining hands-on experience in delivering essential patient care services during internship in an intensive operational environment.

- Assisted in executing daily clinical tasks, impacting overall operations positively.
- Contributed significantly to educational initiatives focused on patient understanding.
- Understood the intricacies involved in discharge processes, aligning priorities across departments.
- Aided in reaching seamless communication between healthcare professionals and patients.

## LEADERSHIP & AWARDS

- BLS Provider Certification completed March 2023
