STRENGTHS

♥ Empathy

Consistently cherished patient experiences, often receiving heartfelt thanks for genuine support and connection.

🔄 Adaptability

Quickly adjusted to dynamic situations in fast-paced environments, gaining trust from team members during high-pressure moments.

💡 Critical Thinking

Recognized trends in patient behaviors leading to proactive interventions that provided immediate comfort before requested.

🗣 Communication

Gained respect among peers for clear dialogues in emergencies assisting in timely decision-making and patient safety.

👥 Team Collaboration

Fostered productive dialogues in multidisciplinary meetings driving unified approaches to ongoing patient care.

SUMMARY

Compassionate and dedicated Registered Nurse with over four years of experience in diverse healthcare settings. Focused on providing high-quality patient care in post-anesthesia recovery, demonstrating strong skills in pain management and fostering patient comfort. Committed to continuous professional development, maintaining current nursing certifications, and ensuring adherence to the highest standards in patient safety and care quality. My work emphasizes collaboration within interdisciplinary teams, enhancing care plans through shared knowledge and expertise. Ready to bring my passion and insights to Healthwise Solutions, making a positive impact on patients' recovery journeys.

EXPERIENCE

Registered Nurse - PACU

HealthFirst Medical Center 📅 January 2025 - Present 📍 Chicago, IL

Deliver exceptional nursing care to patients recovering from anesthesia while ensuring optimal recovery outcomes. Practice strict adherence to aseptic techniques and organizational protocols, establishing a safe, sterile environment for each patient. Collaborate with interdisciplinary teams to develop and implement comprehensive care plans tailored to individual needs.

- Conduct thorough assessments of patients post-anesthesia, identifying any pain and managing it effectively.
- Evaluate patient responses to treatments aimed at their specific surgical procedures and manage care accordingly.
- Implement best practice guidelines for monitoring vital signs and ensuring timely interventions across multiple cases.

Registered Nurse - ICU

Sunnydale Hospital 📅 June 2023 - December 2024 📍 Peoria, IL

Provided critical nursing care in a challenging ICU environment. Managed complex patient cases, constantly evaluating their situations, responding quickly, and adapting treatments as necessary. Worked collaboratively alongside doctors to enhance patient health outcomes and bolster teamwork among staff nurses.

- Monitored vital signs closely and responded swiftly to emerging medical issues.
- Educated patients and families about treatment regimes and patient care, fostering trust and understanding.
- Contributed to new nurse orientation and training programs, supporting a knowledgeable nursing workforce.

Nursing Assistant

Greenwood Nursing Home 📅 August 2021 - May 2023 📍 Springfield, IL

Assisted in delivering compassionate care to residents, helping with daily living tasks and attentive observation. Fostered a supportive environment by building rapport with both patients and their families. Reported changes in patient conditions to assist nursing staff in developing effective care strategies.

- Supervised patient activities, ensuring that personal hygiene and dignity were maintained.
- Implemented measures that encouraged family engagement in rehab processes, promoting emotional well-being.
- Collaborated with teams to maintain a structured schedule for resident care, resulting in efficient workflows.

LEADERSHIP & AWARDS

- Certified Nurse Leadership Award for excelling in patient care and innovative practices in a clinical setting.
- Employee of the Month recognition for outstanding collaboration and initiative during challenging nursing shifts.
