STRENGTHS

- ♥️ **Compassionate Care**
Approach patient interactions empathetically, often finding moments that resonate deeply with patients and elevate their experience.
- 💬 **Effective Communication**
Regularly utilized open dialogue with patients and families, simplifying complex topics to build trust and understanding.
- 👥 **Team Collaboration**
Proactively sought input from colleagues across disciplines to deliver the best patient outcomes; became a trusted resource within the team.
- 🔄 **Adaptability**
Thrived in high-pressure environments, balancing multiple tasks while ensuring attentive care; teammates noted reliability and calmness.
- 📖 **Health Education Advocate**
Passionately led health workshops in the community, empowering patients with information to enhance their health management.

SUMMARY

Compassionate and patient-focused Registered Nurse with over 5 years' experience delivering high-quality care in diverse clinical settings. Skilled at developing treatment plans and collaborating with interdisciplinary teams to enhance health outcomes. Committed to continuous professional growth, improving the patient experience using evidence-based practices. Dedicated to creating an environment that prioritizes compassionate care while efficiently utilizing clinical skills to meet patient needs. Strong ability to thrive under pressure by maintaining a positive attitude and a willingness to learn from each encounter. Interested in enhancing my skills further and contributing to team success.

EXPERIENCE

Registered Nurse

Healthy Life Medical Center 📅 January 2021 - Present 📍 Evanston, IL

Serve as a vital part of a busy medical center focusing on direct patient care and health education while implementing nursing interventions. Actively collaborate with physicians and healthcare teams to address individual care needs uniquely and effectively.

- Provide holistic, patient-centered care through thorough assessments, accurate diagnostics, and well-planned treatment strategies.
- Collaborate with healthcare teams, ensuring timely communication for optimal patient outcomes and compliance with protocols.
- Engage in community health initiatives that promote wellness and support patients' families in navigating their healthcare journey.

Registered Nurse

Community Health Services 📅 June 2018 - December 2020 📍 Aurora, IL

Contributed as an essential member of the nursing staff, administering care while also assisting in training new team members. Focused on improving the overall health of community members through screening and education programs.

- Administer medications meticulously, documenting patient responses diligently to ensure adherence to care standards.
- Mentor new nurses and interns, fostering a supportive environment that nurtures growth and learning on the job.
- Conduct community health screenings, efficiently coordinating follow-up care for patients post-screening.

Registered Nurse

North Shore Hospital 📅 March 2016 - May 2018 📍 Waukegan, IL

Delivered comprehensive nursing services in a dynamic emergency department. Utilized advanced assessment skills to prioritize patient care effectively while maintaining safety protocols.

- Provided critical care interventions swiftly, enhancing patient recovery times and satisfaction rates.
- Participated in quality improvement initiatives which resulted in increased compliance with safety standards.
- Emphasized a teamwork approach, engaging with various departments to uphold patient-centered care continuously.
