SUMMARY

Compassionate Registered Nurse with over five years of experience in busy emergency departments. Expertise includes managing patient care utilizing evidence-based practices that enhance outcomes and safety. Focused on efficient treatment planning within dynamic environments while fostering collaborative working relationships with multidisciplinary teams. Dedication to patient education promotes understanding and self-management, enhancing overall experiences. Commitment encompasses ongoing professional development through training certifications, ensuring compliance with evolving healthcare standards. Ready to bring a solid foundation in compassionate care and clinical acumen to new challenges that improve patient lives.

EXPERIENCE

Registered Nurse

Healthcare Innovations LLC 📅 January 2025 - Present 📍 Denver, CO

Manage patient assessments and develop treatment plans while delivering nursing care in a high-pressure emergency department environment. Collaborate with various healthcare professionals to ensure optimal patient health and safety during critical situations.

- Deliver comprehensive nursing care focused on fast-paced medical emergencies, ensuring timely interventions.
- Utilize collaborative communication skills within healthcare teams to enhance patient outcomes.
- Engage patients and families in discussions about their health management strategies for better understanding and cooperation.
- Advocate for patient needs by addressing concerns and providing education that supports health improvement.

Registered Nurse

Wellness Health Group 📅 June 2022 - December 2024 📍 Aurora, CO

Provided exemplary, patient-centered care in a Level 1 Trauma Center, showcasing thorough clinical judgment and efficacy in decision-making. Played an active role in quality improvement initiatives driven toward elevating patient care standards.

- Applied an analytical approach to care delivery, resulting in improved clinical practices.
- Contributed to team-driven efforts focusing on enhancing patient treatment processes and workflows.
- Facilitated educational sessions regarding life-saving protocols through continuous learning opportunities.
- Participated in certification programs like ACLS and PALS to uphold medical excellence and readiness.

Nursing Intern

Mountain View Medical Center 📅 September 2020 - May 2022 📍 Boulder, CO

Gained invaluable hands-on experience supporting daily responsibilities across multiple hospital departments. Developed foundational nursing competencies while collaborating with qualified nurses in delivering patient care.

- Supported nursing staff with essential tasks, completing rotations focused on emergency and trauma care.
- Assisted with vital patient monitoring procedures while building strong nurse-patient rapport.
- Explored real-world applications of nursing principles cultivated through classroom knowledge.
- Embraced learnings from clinical interactions fostering professional growth and compassion.
