Registered Nurse (RN)

 (312) 555-0147  emily.johnson@email.com  linkedin.com/in/emily-johnson  123 Maple Street, Chicago, IL 60614

STRENGTHS

-  **Patient-Centric Approach**
Recognized for compassionate care that addresses individual patient needs and preferences, turning challenging situations into positive experiences.
-  **Effective Collaboration**
Built strong relationships with colleagues, frequently sought out for support in tackling complex patient care scenarios.
-  **Strong Organizational Skills**
Utilized systematic techniques to keep track of numerous patient care plans and critical deadlines, minimizing errors and delays.
-  **Adaptability Under Pressure**
Responded adeptly to sudden changes in patient conditions while maintaining calmness, earning respect from both peers and patients.
-  **Ongoing Education Advocacy**
Actively encouraged colleagues to pursue continued education, believing that knowledge leads to improved caregiver performance and outcome.

SUMMARY

Compassionate and dedicated Registered Nurse with over 5 years of home health experience. Proven capability in developing effective care plans and working with healthcare teams to ensure high-quality patient outcomes. Experience includes managing patient education, assessment, and support while utilizing EMR software efficiently. Collaborative nature shines through when mentoring new staff and engaging patients to enhance comfort and understanding of healthcare processes. Driven by a commitment to patient advocacy, I thrive in team-oriented environments where collaborative patient management is essential.

EXPERIENCE

Registered Nurse

Compassionate Care Services  March 2025 - Present  Naperville, IL

Provides comprehensive nursing care focusing on individualized treatment plans for patients in home settings. Collaborates with interdisciplinary teams to evaluate patient progress, ensuring adherence to evolving care strategies and necessary adjustments.

- Deliver comprehensive nursing care, ensuring adherence to personal care plans.
- Collaborate with clinical educators and supervisors on ongoing patient management.
- Educate patients and families regarding treatment plans and health maintenance.
- Maintain accurate documentation within electronic medical records.

Registered Nurse

Health First Nursing  June 2023 - February 2025  Aurora, IL

Managed a diverse caseload providing personalized nursing assessments and acute care in home environments. Established effective communication with physicians to execute optimal treatments and maintain care continuity.

- Conducted thorough assessments of patient health during visits.
- Coordinated with healthcare providers to enhance patient care quality.
- Engaged in educational sessions fostering patient understanding of health management.
- Implemented quality improvement initiatives aimed at elevating overall patient outcomes.

Nursing Intern

Nurturing Hands Home Health  January 2022 - May 2022  Chicago, IL

Supported RNs by assisting with direct patient care and maintaining care documentation. Acquired practical skills relevant to patient engagement and comfort enhancement.

- Assisted nurses in administering care and conducting various assessments.
- Observed patient interactions, gaining insights into effective communication.
- Participated in maintaining meticulous care records to support best practices.

LEADERSHIP & AWARDS

- Recipient of the 'Outstanding New Nurse' award at Compassionate Care Services for exceptional patient advocacy and teamwork in 2025.
- Achieved recognition for exemplary leadership during quality improvement initiatives focused on enhancing patient care delivery.
