SUMMARY

Compassionate and dedicated Registered Nurse with over three years of acute care experience. Skilled in assessing patient needs and implementing effective care plans while fostering collaboration within multidisciplinary teams. Expertise includes monitoring patient conditions and delivering high-quality nursing care. Recent role at Healthcare Innovations LLC emphasizes comprehensive nursing approaches that enhance patient recovery. Committed to continuous professional development, including certifications in BLS and ACLS. Eager to bring skills and compassion to the team at Healthcare Solutions Inc. and contribute positively to patient outcomes.

EXPERIENCE

Registered Nurse

Healthcare Innovations LLC 📅 January 2023 - Present 📍 Chicago, IL

At Healthcare Innovations LLC, provide comprehensive nursing care in a fast-paced acute setting. Collaborate with healthcare professionals to develop and implement individualized patient care plans. Monitor patient progress and maintain accurate medical records, ensuring seamless communication about patient status.

- Deliver direct nursing care aligning with established protocols.
- Effectively manage and adapt patient care plans according to evolving needs.
- Monitor vital signs and carefully document patient information.
- Facilitate optimal outcomes through coordination with physicians.

Registered Nurse

Wellness Health Services 📅 June 2021 - December 2022 📍 Peoria, IL

Worked as a Registered Nurse in a collaborative environment at Wellness Health Services, providing essential nursing care while participating in ongoing training. Focused on improving patient outcomes through education and support for health management.

- Delivered direct patient care and assisted in creating treatment plans.
- Educated patients and families about health management strategies.
- Engaged in continued learning to keep nursing practices current.
- Supported colleagues by sharing insights to improve team efficacy.

Nursing Intern

Springfield General Hospital 📅 January 2021 - May 2021 📍 Springfield, IL

As a Nursing Intern at Springfield General Hospital, gained hands-on experience collaborating with nursing staff during clinical rotations. Facilitated patient care delivery and monitored condition changes effectively.

- Assisted nursing staff in managing patient care activities.
- Participated in daily care protocol implementation.
- Documented observations on patient responses to treatments.
- Collaborated on discharge planning to ensure smooth transitions.

LEADERSHIP & AWARDS

- Awarded Employee of the Month at Wellness Health Services for outstanding patient care and teamwork.
- Received Best Clinical Practice award for implementing innovative patient care techniques during internship.

EDUCATION

Bachelor of Science in Nursing

University of Illinois 🎓 GPA: 3.8 📅 2020 📍 Champaign, IL

Coursework: Patient Care, Health Policy, Advanced Physiology, Nursing Ethics

STRENGTHS
