SUMMARY

Compassionate Registered Nurse with over 4 years' surgical experience, committed to delivering exceptional patient care. Proven aptitude in managing adult patients through pre-operative and post-operative stages of care. Excel at collaborating with diverse medical teams to drive optimal outcomes while ensuring the highest safety standards. Effectively handle various surgical instruments and assist during procedures, placing great focus on patient comfort. Recognized for empathetic communication skills and ability to educate patients and families about procedures. Eager to contribute to Healthcare Solutions Inc.'s mission of quality healthcare.

EXPERIENCE

Registered Nurse - Surgery

Healthcare Associates LLC 📅 June 2024 - Present 📍 Chicago, IL

As a Registered Nurse, deliver comprehensive care to patients undergoing surgery. Responsible for preparing sterile fields and managing necessary tools. Advocate for patient safety, ensuring precise monitoring and recording of vital signs. Collaborate closely with surgeons and nursing staff to ensure surgical protocols are followed.

- Deliver professional nursing care to patients undergoing a variety of surgical procedures.
- Prepare and maintain sterile environments and ensure the availability of necessary surgical instruments.
- Collaborate with surgeons and other healthcare professionals to ensure optimal patient care and safety.
- Monitor, record, and communicate patient statuses, fostering clear mindset during all procedures.

Registered Nurse

Wellness Healthcare Group 📅 March 2022 - May 2024 📍 Evanston, IL

Worked proactively during shifts by aiding in both pre-operative and post-operative assessments. Focused on thorough patient monitoring with attention to evolving conditions. Strengthened team dynamics through patient and family education regarding surgical expectations.

- Assisted in pre-operative assessments and post-operative care for patients.
- Monitored vital signs and patient status, ensuring prompt response to any changes.
- Educated patients and families on surgical procedures and post-operative care plans.
- Fostered effective communication about treatment processes to enhance understanding.

Nursing Intern

City Medical Center 📅 January 2021 - December 2021 📍 Chicago, IL

Supported established nurses across various departments by assisting with daily tasks aimed at maximizing patient support. Gained foundational skills in documentation and patient care practices through active participation.

- Supported nursing staff in providing care to patients in various departments.
- Gained hands-on experience in patient monitoring and assistance in daily activities.
- Engaged in patient education regarding health management and treatment processes.
- Contributed to teamwork that prioritized compassionate care and responsive service.
