SUMMARY

Compassionate Registered Nurse with over five years of experience providing high-quality patient care in varied settings. Skilled in facilitating patient movements, managing medical records, and engaging with multidisciplinary teams for optimal care delivery. Proficient in coordinating with physicians to ensure comprehensive assessments are communicated effectively. Committed to continuous professional growth, having bolstered skill sets through structured engagements and trainings. Recognized for enhancing patient outcomes while maintaining meticulous attention to detail and a warm approach at every interaction.

EXPERIENCE

Registered Nurse

Health Services Group 📅 June 2022 - Present 📍 Chicago, IL

Fulfill primary responsibilities as a Registered Nurse by coordinating patient transfers and ensuring that care needs are met efficiently. Collaborate with healthcare teams to streamline patient admissions and discharge processes while optimizing resource use. Conduct regular follow-ups on patient statuses and maintain essential communication with primary care providers.

- Facilitate patient transitions across multiple services based on individualized acuity levels.
- Utilize strong collaboration skills with a focus on patient-centered care during exchanges.
- Maintain precise patient records integral for insurance verification, contributing to smoother admissions.
- Engage in ongoing quality improvement initiatives aimed at better service outcomes.

Registered Nurse

Wellness Health Center 📅 May 2020 - May 2022 📍 Peoria, IL

Delivers holistic nursing care within a dynamic, fast-paced emergency room setting, emphasizing safety and patient comfort. Engages proactively with colleagues to formulate effective and timely care plans tailored to individual patient needs.

- Administered extensive clinical support while implementing safety protocols.
- Collaborated seamlessly with specialists ensuring thorough consultations and timely referrals.
- Conducted detailed patient evaluations translating into well-rounded care plans.
- Monitored vital changes and advocated swiftly for condition-relevant interventions.

Registered Nurse - Intern

Caring Hands Clinic 📅 January 2018 - April 2020 📍 Champaign, IL

Provided supportive nursing care under the mentorship of experienced clinicians during internship tenure. Responsibilities focused primarily on pre-operative and post-operative care protocols alongside routine patient interactions. A significant opportunity to refine patient engagement practices.

- Assisted in surgical preparations, enhancing my understanding of operative care dynamics.
- Conducted health education workshops that improved patient literacy regarding health conditions.
- Collected comprehensive patient histories reflecting an inquisitive approach to nursing.
- Supported daily operations through effective documentation and proactive monitoring.

LEADERSHIP & AWARDS

- Excellence in Patient Care Award from Health Services Group received June 2023.
- Recognition for Outstanding Collaboration in Multidisciplinary Teams awarded November 2021.
