EXPERIENCE

- Student Project Coordinator**
University Project  January 2025 - May 2026  Phoenix, AZ
Coordinated consultations for a student-run benefit awareness initiative, focusing on increased engagement among peers. Managed all interactions digitally using CRM software, enhancing organization and communication flow within the project team. Developed educational materials and presented webinars that clearly communicated various benefits available to students.
 - Organized virtual meetings leading to enhanced peer participation in benefit sessions.
 - Created clear educational resources explaining complex benefit programs for better comprehension.
 - Utilized CRM tools for effective management of participant data and ongoing follow-ups.
 - Conducted informative webinars, receiving commendations for excellent delivery and clarity.
 - Collaborated with teammates to plan outreach efforts, boosting engagement by 30%.
 - Maintained detailed documentation of all participant inquiries, facilitating improvements in program delivery.
- Research Assistant**
Academic Research  September 2024 - December 2025  Phoenix, AZ
Assisted in impactful research analyzing supplemental benefits' effects on student financial well-being. Contributed to data analysis of over 200 survey responses, translating insights that informed stakeholder decisions in benefit development. Engaged in producing presentations that conveyed complex findings accessibly.

LANGUAGES

MY CAREER

- Student Project Coordinator at University Project (1.3 Years)
- Research Assistant at Academic Research (1.2 Years)

- Supported research on student financial health related directly to supplemental benefits.
- Analyzed comprehensive data sets, translating raw information into actionable insights.
