SUMMARY

Insurance sales representative with four years guiding individuals and families through benefit selection, enrollment, and renewal conversations in **remote** settings. Licensed Illinois Life and Health Insurance Producer who turns **provided leads** into virtual client meetings through clear outreach, thoughtful discovery, and professional follow-up. Presents **benefit programs** in plain language, completes electronic applications, documents client interactions, and supports relationships after enrollment. Partners with managers on activity goals, performance reviews, licensing, product training, and consultative selling development. Recognized for approachable service, organized follow-through, and dependable virtual presentations. Ready to support **Pioneer Harbor Benefits** by helping more clients choose protection solutions, strengthening retention through renewal care, and contributing to a collaborative team that values coaching, advancement, and meaningful guidance for individuals and families.

EXPERIENCE

Remote Insurance Sales Representative

May 2024 - Present

Northstar Coverage Group

Rockford, IL

Owns remote lead conversion, virtual benefit presentations, electronic enrollment, renewal care, and manager-led **performance** planning for individuals and families.

- Converted provided household **leads** into virtual consultations through structured outreach and value-focused messaging
- Presented **benefit programs** through video meetings, clarifying coverage features and enrollment steps
- Completed electronic applications with accurate client information and carrier documentation
- Maintained post-**enrollment** relationships through renewal reminders and timely benefit responses
- Reviewed activity and renewal indicators with managers, refining goals and follow-up priorities
- Earned **recognition** for clear virtual presentations and dependable follow-through during licensing training

Insurance Sales Associate

May 2022 - April 2024

Lakeside Mutual Benefits

Elgin, IL

Managed qualified lead queues, discovery conversations, virtual scheduling, enrollment support, CRM records, and relationship follow-up within a **coached** insurance sales team.

- Managed qualified leads through phone, email, and video scheduling tools for sales consultations
- Conducted discovery conversations that identified protection priorities for individuals and families
- Supported online enrollment by explaining fields and confirming required information
- Recorded contact history, outcomes, follow-up dates, and renewal opportunities in CRM systems
- Built client trust through responsive communication and plain-language benefit explanations
- Completed coaching in consultative **sales**, virtual presentations, computer systems, and insurance fundamentals

PROJECTS

Virtual Benefits Enrollment Workflow 📅 2024

Created a structured client workflow connecting lead outreach, virtual meetings, electronic applications, documentation, follow-up, and renewal reminders.

Client Renewal Conversation Program 📅 2023

Built a practical renewal conversation approach that helped organize coverage check-ins, answer service questions, and preserve client relationships.
