SUMMARY

Dedicated accounting professional passionate about enhancing financial reporting and ensuring operational efficiency in multi-entity environments. Demonstrates a proven history of implementing effective internal controls, managing audits, and fostering collaborations with operations management to meet business needs. Skilled in integrating technology solutions, especially within Restaurant 365 and Microsoft Office Suite, resulting in improved accuracy and speed in delivering financial insights. Adept at continuous process improvement, providing timely P&L reports, and actively supporting budgeting and forecasting efforts across diverse outlets. Eager to leverage analytical skills while contributing positively in a dynamic organization.

EXPERIENCE

Restaurant Accountant

June 2023 - Present

Culinary Financial Solutions

Seattle, WA

Oversee comprehensive financial functions in a fast-paced restaurant environment, involving articulate communication with management and external stakeholders. Provide detailed monthly financial analyses across multiple entities, supporting strategic decision-making and operational growth.

- Conduct thorough accounting and reporting for various restaurant entities, ensuring high accuracy in financial documentation.
- Direct Month End Close procedures, coordinating timelines and data consistency between departments.
- Manage integration requirements for Restaurant 365, enhancing both user experience and operational accountability.
- Facilitate annual auditing processes by collaborating closely with external auditors to establish compliance with financial regulations.
- Revise pricing strategies based on market analysis, aligning recommendations with organizational goals.
- Generate real-time P&L reports enabling swift responses to financial results and operational adjustments.

Accounting Coordinator

March 2021 - May 2023

Gourmet Dining Co.

Portland, OR

Coordinated complex accounting projects across several locations, focusing on meticulous adherence to financial requirements. Engaged effectively with cross-functional teams to drive project outcomes towards enhanced operational practices.

- Supervised accounting operations including month-end reconciliations, developing efficient reporting frameworks.
- Ensured compliance with evolving financial policies through the establishment of robust internal controls.
- Spearheaded implementation of P-card solutions, fostering streamlined transparency in financial transactions.
- Provided actionable budgetary and forecasting input leveraging historical data across diverse markets.
- Executed State Sales Tax Reporting compliance, mitigating risks of penalties while ensuring timely submissions.
- Partnered with senior management on targeted initiatives geared towards continuous process improvements.

Junior Accountant

January 2020 - February 2021

Fresh Eats Inc.

Tacoma, WA

Provided vital support in daily accounting activities, establishing a solid foundation in restaurant financial practices within a lively team setting. Contributed to multiple areas of financial reporting and auditing support.

- Facilitated accounts payable processing alongside providing necessary data entry support to ensure correct financial postings.
- Assisted clients and managers in the documentation of monthly reconciliation claims, elevating accuracy in final reports.
- Utilized Restaurant 365 software toolset to optimize operational timelines and response metrics.
- Collaborated actively with different departments gathering pertinent financial information for proper reporting.
- Participated regularly in training sessions aimed at refining accounting skills in line with standards and best practices.
- Grew analytical capabilities considerably while engaging in significant financial analyses and varied projects.
