EXPERIENCE

Retail Associate

Student Lab

June 2026 - Present
Columbia, SC

Role encompasses engaging customers and managing transactions within a retail setting while supporting store operations.

- Delivered exceptional customer service by actively listening to client needs and addressing concerns promptly.
- Managed cashier duties efficiently, including accurate cash handling and credit card transactions.
- Restocked shelves and maintained store presentation, which led to a more inviting shopping atmosphere.
- Supported openings and closings, ensuring both smooth transitions and adherence to operational standards.
- Assisted in inventory tasks such as stock counts and product retrieval from vendors to optimize product availability.
- Participated in ongoing training sessions aimed at enhancing product knowledge and customer engagement skills.

Customer Service Simulation

University Project

January 2026 - May 2026
Remote

Engaged in an interactive project refining customer service techniques based on real-world scenarios.

- Developed a multifaceted project enhancing customer response strategies through simulations.
- Collaborated with peers to design role-play exercises simulating customer interactions for skill improvement.
- Utilized faculty feedback to refine communication strategies, leading to better simulated outcomes.
- Presented analysis on project findings, demonstrating the effectiveness of established techniques in service delivery.
- Applied lessons learned from simulations to foster personal growth in customer handling and retention.
- Leveraged technological tools throughout the simulation to monitor and document performance metrics.

Cashier Assistant

1/2

August 2025 - December 2025

Supported day-to-day functions as a cashier assistant, focusing on effective service and transaction accuracy.

- Facilitated customer transactions efficiently, resulting in high satisfaction and repeat visits.
- Maintained cleanliness and organization of the sales floor to create a positive shopping environment.
- Contributed to training initiatives for new hires on procedural best practices and service expectations.
- Monitored inventory and reported discrepancies to ensure product accessibility for customers.
- Engaged in promotional campaigns that boosted visibility and enhanced customer experiences.
- Actively participated in team brainstorming sessions aimed at improving service delivery and operational efficiency.
