SUMMARY

Compassionate and dedicated Registered Nurse with 2 years of experience in Labor & Delivery and Emergency Departments. Proven ability to assess, manage, and evaluate patients effectively in both antepartum and intrapartum settings. Committed to providing exceptional patient care and improving overall patient experiences. Expertise includes high-risk pregnancy management and intricate postpartum support. Eager to join ProHealth Services, enhancing patient care with collaborative team efforts. Deeply invested in learning while fostering positive patient relationships and utilizing evidence-based practices for best outcomes.

EXPERIENCE

Registered Nurse - Labor & Delivery

HealthFirst Medical Center 📅 March 2024 - Present 📍 Chicago, IL

Provide comprehensive assessments and patient care in the Labor and Delivery unit for low and high-risk pregnancies. Engage collaboratively with multidisciplinary teams to optimize patient outcomes and ensure adherence to clinical protocols.

- Conduct thorough assessments and evaluations of antepartum and postpartum patients.
- Manage care for both low and high-risk pregnancies, ensuring adherence to protocols.
- Collaborate with multidisciplinary teams to enhance patient outcomes.
- Educate patients and families on care plans and procedures.

Nursing Intern

CareWell Hospital 📅 January 2023 - December 2023 📍 Evanston, IL

Supported nursing staff in delivering patient care within the maternity ward. Collaborated with healthcare providers to execute responsibilities effectively while gaining practical skills and experience in managing postpartum patients.

- Assisted nursing staff in the care of patients in the maternity ward.
- Gained hands-on experience in monitoring vital signs and managing care for postpartum patients.
- Supported educational initiatives for new parents on newborn care.
- Applied knowledge from coursework into real-world practice settings.

Volunteer Nurse

Health Awareness Program 📅 June 2022 - September 2022 📍 Chicago, IL

Emphasized community health education by providing support during outreach events focused on maternal and child health. Engaged families through informational workshops about newborn care and healthy pregnancies.

- Facilitated workshops promoting awareness of prenatal and postpartum health.
- Assisted families with basic baby care tips and healthcare navigation.
- Coordinated activities with healthcare professionals for accurate information dissemination.
- Enhanced public speaking skills through community engagement initiatives.
