SUMMARY

Compassionate Registered Nurse offering over three years of patient care in high-stakes clinical settings. Skilled in assessing patient needs and collaborating with multidisciplinary healthcare teams. Proven ability to implement effective treatment plans while maintaining patient safety, emphasizing communication and education for patients and families. Eager to contribute expertise in urogynecology and clinical specialties to support HealCare Solutions' commitment to quality patient service and stakeholder collaboration.

STRENGTHS

♥️ Empathy

Consistently foster trust with patients through compassionate care, ensuring comfort during challenging times.

👥 Team Collaboration

Work seamlessly within nursing and interdisciplinary teams, enhancing effectiveness in patient treatment.

💬 Effective Communication

Utilize clear communication techniques which strengthen relationships with both patients and colleagues.

🛡️ Patient Advocacy

Champion patient rights and needs, actively listening to concerns and responding promptly.

💡 Problem-Solving

Quickly identify issues affecting patient care, implementing suitable solutions that prioritize safety.

EXPERIENCE

Registered Nurse

Caring Health Services 📅 March 2023 - Present 📍 Oak Park, IL

Provide nursing care to acutely ill patients by comprehensively assessing and developing tailored care strategies. Collaborate with medical professionals to ensure cohesive treatment while fostering a supportive environment for patients. Actively engage in educating patients about their health conditions, promoting understanding and participation in care decisions.

- Conduct thorough patient assessments and devise comprehensive care plans.
- Collaborate efficiently with physicians and the healthcare team to deliver optimal patient outcomes.
- Educate patients and families effectively on managing health conditions, enhancing communication skills.
- Support health initiatives aimed at improving patient outcomes and promoting wellness.

Nursing Intern

Caring Health Services 📅 June 2021 - February 2023 📍 Oak Park, IL

Assisted experienced nursing staff in delivering daily patient care during a practical internship. Focused on learning best practices in patient assessment and documentation while supporting seamless operations in the workplace. Engaged proactively with patients, providing education to enhance literacy and awareness of health matters.

- Aided in documenting patient information accurately under supervision, ensuring compliance with health standards.
- Supported nurses in day-to-day responsibilities, contributing to efficient patient care processes.
- Participated in educational presentations aimed at empowering patients in health decisions.
- Actively contributed to a positive team dynamic through supportive collaboration and shared goals.
