SUMMARY

Culinary professional committed to delivering fresh, healthy food while ensuring exceptional guest experiences. Proficient in sourcing seasonal ingredients from local growers, upholding stringent food safety standards, and collaborating with team members effectively. Experience managing inventory and maintaining a clean kitchen environment. Eager to contribute expertise and passion for cooking in a dynamic restaurant setting at Mixt, where freshness meets quality. Dedicates effort to skill development and embraces learning opportunities within culinary arts. Strives for excellence through creativity and teamwork, ready to make an impact.

EXPERIENCE

Salad Maker

Fresh Bites Kitchen 📅 June 2025 - Present 📍 San Jose, CA

Support high-quality salad preparation for customers, focusing on ingredient freshness and presentation. Work in a fast-paced kitchen environment dedicated to sustainability and excellent service delivery. Responsibilities include adhering to safety regulations, staff training, and inventory management to streamline operations while enhancing guest satisfaction.

- Partner with local suppliers to provide seasonal ingredients, enriching menu options and supporting community partnerships.
- Prepare assorted salads and catering orders, closely following safety standards and recipes for consistent output.
- Manage salad station cleanliness amidst peak hours, promoting efficient workflows and positive guest interactions.
- Train newcomers on proper food preparation methods and safety protocols, fostering a collaborative kitchen culture.
- Handle stock levels adeptly, utilizing organizational skills for timely ingredient replenishment.
- Contribute positively to overall profitability and customer feedback through quality produce and responsive adjustments.

Line Cook

Green Plate Café 📅 September 2024 - May 2025 📍 Oakland, CA

Served as an integral part of the kitchen team, focusing on fresh dish preparation and collaboration to enhance overall dining experiences. Actively engaged in menu planning and ensured compliance with hygiene standards to deliver delicious meals. Played a key role in maintaining kitchen organization under high-pressure conditions without compromising quality.

- Prepared a diverse array of dishes with emphasis on quality, meeting rigorous health guidelines consistently.
- Collaborated on menu innovations, proposing unique seasonal specials reflecting current trends.
- Maintained orderly kitchen areas adhering to sanitation standards, ensuring safe working conditions for all staff.
- Worked side by side with service staff to assure timely delivery of meals during rush times, cultivating seamless teamwork.
- Optimized cooking processes to boost productivity and minimize food waste with innovative techniques.
- Fostered a supportive work atmosphere through open communication, contributing positively to team morale.

Student Chef

Culinary Arts Academy 📅 January 2024 - August 2024 📍 Remote

Enhanced culinary knowledge through hands-on projects aimed at developing foundational skills in food preparation and cleanliness. Engaged in strategic collaborations with peers for menu creation, emphasizing sustainability and creative presentations during community outreach.

- Participated actively in simulated kitchen environments to practice essential food handling and culinary techniques.
