

STRENGTHS

-  **Account Growth**
Reactivated overlooked industrial accounts through focused calls and relevant product suggestions; field sellers gained better opportunities.
-  **Customer Discovery**
A maintenance concern once revealed a replacement opportunity; careful questions turned that conversation into a useful quote.
-  **Sales Coordination**
Shared clear account context across four branches, so field teams could act with confidence instead of starting over.
-  **Resilient Follow-Up**
Rejection never ended a useful conversation; steady callbacks and respectful timing kept relationships open for future needs.
-  **Digital Coaching**
Simple ecommerce demonstrations helped customers adopt ordering tools, and repeat purchases became easier for busy account contacts.

SUMMARY

Sales development professional with nearly six years of experience growing industrial and commercial accounts through **proactive outbound calls**, consultative discovery, quoting, and follow-up. Builds rapport with purchasing, maintenance, and operations decision makers by identifying pain points, product gaps, replacement needs, and add-on opportunities. Coordinates qualified opportunities across field sales, customer service, operations, branch, and division teams, keeping order entry, shipment tracking, technical questions, and customer commitments moving. Uses CRM platforms, LinkedIn, Microsoft Outlook, and Excel for account research, activity planning, quote monitoring, and reporting. Presents ecommerce capabilities and guides customers through **digital ordering tools**. Recognized for resilient follow-through, clear communication, positive energy, and steady performance after rejection. Ready to help **Apex Industrial Supply** expand **assigned accounts** and make every customer interaction easier.

EXPERIENCE

Sales Development Representative

Northstar Motion Supply  September 2023 - Present  Menomonee Falls, WI

Own outbound development for approximately 180 industrial accounts across **four branch locations**. Qualify customer needs, create product quotes, coordinate technical details, and transfer opportunities to field sales. Maintain CRM visibility, support ecommerce adoption, and protect follow-up continuity from first conversation through conversion.

- Prioritized 180 **industrial accounts** using purchase history, account status, and follow-up plans.
- Uncovered product gaps through discovery calls with maintenance, purchasing, and operations **decision makers**.
- Built bearing and power transmission quotes with branch specialists before customer presentation.
- Transferred qualified opportunities across four branches, preserving context through conversion.
- Tracked open quotes with **CRM activity plans**, **Outlook reminders**, and Excel account lists.
- Presented **ecommerce ordering** tools and coached customers through repeat-purchase workflows.

Inside Sales Associate

Great Lakes Equipment Partners  June 2021 - August 2023  Oak Creek, WI

Supported manufacturing and facilities accounts through outbound outreach, inbound requests, product research, quoting, and service coordination. Connected recurring purchases with adjacent products, maintained accurate CRM records, and partnered with field representatives and customer service teams to protect customer confidence.

- Supported **manufacturing accounts** through scheduled outbound calls, **inbound requests**, and quote follow-up.
- Identified **adjacent consumables** and **replacement parts** during conversations with recurring-purchase customers.
- Prepared quotes with inventory, substitutions, lead times, and field representative input.
- Resolved order-entry and **shipment-tracking questions** through customer service coordination.
- Maintained CRM contacts, **call outcomes**, open opportunities, and next actions for territory visits.
- Delivered phone and screen-share product demonstrations for coordinators, technicians, and owners.

Sales Support Specialist

Pioneer Industrial Services  October 2020 - May 2021  New Berlin, WI

Organized outreach and service requests for inside sales teams supporting **industrial maintenance customers** across local branch territories. Researched account history, entered quotes and orders, monitored callbacks, and prepared visibility reports for field sales and branch discussions.

- Organized daily outreach and service requests across multiple industrial branch territories.
- Researched CRM records, invoices, and catalogs before routing customer inquiries.
