

August Strickland

B2B Sales Representative

 (515) 555-0184  august.strickland@example.com  linkedin.com/example/auguststrickland  Des Moines, IA 50309

STRENGTHS

-  **Community Relationship Building**
Face-to-face outreach made introductions feel natural; business owners responded well to clear questions and dependable follow-up.
-  **Consultative Discovery**
Open-ended questions revealed protection concerns in supervised meetings, giving each presentation a more useful and human direction.
-  **Independent Field Planning**
Weekly territory planning kept contacts, referrals, and follow-ups moving; structured preparation supported steady progress without close supervision.
-  **Empathetic Customer Service**
Role-play objections became practical listening practice, leading to the highest customer-service evaluation in a six-member group.
-  **Coachable Growth Mindset**
Faculty feedback shaped a first-90-day sales plan, turning each review into a clearer next step and stronger preparation.

SUMMARY

Early-career **B2B sales** professional ready to build trusted community relationships through in-person conversations with **business owners**, employees, and local decision-makers. Supervised sales practicums and outreach projects developed practical skills in needs discovery, referral development, customer empathy, clear presentations, objection handling, and follow-up planning. Experience includes creating activity goals, organizing an independent field schedule, documenting contacts in CRM environments, and presenting **financial protection concepts** in plain language. Academic work covered individuals, small businesses, and larger organizations, with strong feedback for **customer service** and communication. Coachable, self-disciplined, positive, and comfortable making new contacts, with preparation underway for Iowa life and health insurance licensure. Ready to learn a proven process, serve local communities, and help build lasting client relationships through dependable five-star service.

EXPERIENCE

B2B Sales Practicum Student

University Sales Practicum  January 2026 - May 2026  Ames, IA

- Completed supervised B2B sales training for a simulated voluntary-benefits territory, supporting prospecting, discovery meetings, presentations, CRM follow-up, and **referral development**. Practiced independent field planning and customer-service conversations while receiving weekly coaching from faculty and local advisors.
- Built a voluntary-benefits prospecting plan for 42 local businesses, prioritizing access and referral potential.
 - Conducted 18 supervised discovery meetings, uncovering protection concerns through open-ended questions and active listening.
 - Presented benefit scenarios in plain language, helping decision-makers compare **coverage concepts** without overstating features.
 - Documented contacts, next steps, and referral sources in a custom **CRM** training environment for coaching reviews.
 - Practiced **empathy**-based **objection handling** in role plays, earning the group's highest customer-service evaluation.
 - Presented a first-90-day territory strategy, connecting activity goals with organized field **follow-up**.

MY CAREER

● B2B Sales Practicum
Student at University Sales
Practicum (4 Months)

● Community Outreach Sales
Project Member at Community
Outreach Sales Project (3
Months)

Supported a supervised community outreach initiative linking university service goals with small-business introductions, customer-needs research, referral conversations, and field scheduling. Built practical habits for professional first impressions, organized follow-up, and clear communication with diverse **community members**.

- Connected a university service **initiative** with 31 small-**business owners** through scheduled face-to-face introductions.
- Mapped business locations and created weekly field schedules for contacts, referrals, and follow-up conversations.
- Used interview guides to identify employer and employee concerns for a faculty-led needs analysis.
- Developed a five-minute financial-protection presentation for individuals, **small businesses**, and **larger organizations**.
- Maintained consent notes, meeting outcomes, and next actions in a CRM-style contact pipeline.
- Received project approval after presenting a service model built around reliable follow-up and strong **first impressions**.

PROJECTS

Community Benefits Referral Plan 📅 2026

Created a practical referral plan for local business outreach, combining contact prioritization, needs discovery, follow-up timing, and customer-service standards.

Small-Business Protection Presentation 📅 2025

Prepared a concise presentation that explained financial protection concepts for varied audiences using plain language, relatable examples, and respectful discovery questions.
