SUMMARY

Detail-oriented Senior Accountant with over six years in the accounting sector, focusing on GAAP compliance and financial reporting. Proven track record managing complex month-end close processes while enhancing operational efficiencies across various finance functions. Expertise in using ERP systems to streamline practices and improve data accuracy. Committed to fostering cross-departmental collaboration that supports organizational goals. Excited about leveraging analytical skills and financial knowledge to contribute to a dynamic team in the healthcare sector.

EXPERIENCE

Senior Accountant

January 2021 - Present

Smith & Co.

Chicago, IL

Oversee month-end and year-end closing processes while ensuring compliance with GAAP standards. Prepare and review journal entries, reconciliations, and account analyses for accurate reporting. Manage general ledger accuracy and maintain supporting schedules for audits. Collaborate with finance leadership to deliver insights through detailed financial reporting and compliance tasks.

- Led month-end closing procedures, reducing processing time and increasing efficiency.
- Reviewed and prepared comprehensive reconciliations, enhancing reliability of financial data.
- Maintained meticulous records and clarified discrepancies through diligent account analysis.
- Engaged with cross-functional teams, improving collaboration and driving operational enhancements.

Accountant

June 2016 - December 2020

Jones LLC

Remote

Managed monthly closings and developed streamlined processes to unify accounting operations. Conducted detailed financial reviews and assisted in producing audit-ready statements. Designed internal controls leading to reduced error rates and improved compliance with regulations.

- Executed month-end close activities, contributing to timely financial reports.
- Collaborated effectively with external auditors, ensuring compliance and transparency.
- Formulated process improvements for enhanced workflow and financial integrity.
- Supported management with ad-hoc reporting and operational analytics for decision-making.

Junior Accountant

August 2015 - May 2016

Global Acquisitions Inc.

Chicago, IL

Assisted in daily accounting functions, including data entry and transaction tracking. Contributed to maintaining accuracy in financial documentation and improved reconciliations to assist in quarterly audits.

- Provided support during monthly closes by preparing necessary documents.
- Aided in reconciling accounts which streamlined financial reporting.
- Enhanced transactional tracking methods, boosting report creation speed.
- Developed foundational understanding of auditing principles through hands-on exposure.
