Hiring Manager
EnergyBank Corp
Houston, TX

Dear Hiring Manager,

I am thrilled to apply for the Senior Associate role at EnergyBank Corp. Each task laid out echoes my journey through finance, making this position feel like a fitting sequel to my chapters in investment banking.

With a strong foundation built during my time at Capital Finance Group, where my efforts led to securing over \$150 million in financing deals, I know I can contribute effectively. Developing robust relationships and mapping client needs align with EnergyBank's mission.

Balancing multiple projects challenged me, but it also refined my strategies. For instance, overseeing junior analysts prompted me to think creatively while enforcing discipline within our engagements.

Joining the dynamic culture at EnergyBank inspires me. I appreciate its commitment to nurturing client relationships. My experience coordinating with industry teams will bridge gaps while increasing overall team performance.

While navigating these experiences, hesitations sometimes crept in, especially with client expectations. Yet, each challenge transformed into an opportunity, spawning innovative solutions and instilling confidence in our clients.

Thank you for considering my application.

Sincerely,

Sebastian Marsh
