Manage executive office operations for a chief operations leader in public service. Coordinate calendars, confidential communications, briefings, meetings, records, and stakeholder follow up while connecting leadership priorities with operational teams, government partners, **board facing staff**, vendors, and community contacts.

- Managed **executive calendars** and **confidential correspondence** for public service operations.
- Prepared briefing packets, agendas, talking points, and decision materials for leadership meetings.
- Connected executives, government partners, staff, vendors, and **community contacts** through clear liaison support.
- Maintained **controlled access** records with consistent naming, retention, and **version practices**.
- Resolved schedule conflicts by reorganizing priorities around urgent operational matters.
- Reviewed executive communications for facts, tone, attachments, and approvals before distribution.

#### Executive Secretary

Midwest Infrastructure Council 📅 January 2019 - February 2022 📍 South Bend, IN

Supported senior directors overseeing regional infrastructure programs across multiple workstreams. Managed executive schedules, correspondence, meeting logistics, records, **action tracking**, and sensitive documents while improving preparation routines and supporting **coordination** among agencies, contractors, advisers, and public representatives.

- Supported senior directors through calendars, correspondence, files, and meeting logistics.
- Coordinated agency, contractor, legal adviser, and **public** representative meetings.
- Drafted executive correspondence from source notes with careful **proofreading** and **confidentiality** controls.
- Tracked commitments, submissions, leadership requests, deadlines, and missing inputs.
- Handled restricted personnel and operational documents through established records procedures.
- Standardized agendas, pre reads, and action logs, reducing last minute preparation gaps.

#### Administrative Assistant

Riverbend Public Services 📅 June 2017 - December 2018 📍 Toledo, OH

Provided administrative support for operations managers through scheduling, document preparation, visitor coordination, records maintenance, travel planning, and public inquiry routing. Built early experience in operational reviews, executive materials, confidentiality, proofreading, and dependable follow up across a public service setting.

- Supported operations managers through scheduling, documents, visitors, and incoming requests.

### STRENGTHS

#### Executive judgment

Anticipated sensitive issues during urgent operations, and leaders relied on concise context before making decisions.
