Compelled by a commitment to quality service, consistently collaborate with various teams ensuring alignment on strategic initiatives. Foster strong client relationships while grasping complex data presented in easily digestible formats. Eager for opportunities that challenge abilities and evoke innovative solutions.

EXPERIENCE

Financial Planning & Analysis Manager

January 2020 - Present

Strategic Finance Group

Denver, CO

Steer preparation efforts for monthly, quarterly, and annual reports essential for executive decision-making. Collaborate actively with cross-functional teams for impactful financial analyses and forecasting. Design complex SQL queries to extract pertinent financial data tailored to reporting requirements. Employ advanced Excel features to establish dynamic models and dashboards enhancing overall clarity in presentations.

- Lead monthly financial report preparation, providing critical insights to senior management.
- Integrate collaborative approaches with multiple departments to enforce effective financial forecasts.
- Institute best practices through SQL for precise financial data extraction and accuracy.
- Create engaging presentations utilizing visual elements within Excel promoting data insights.

Senior Financial Analyst

June 2016 - December 2019

Capital Insights LLC

Boulder, CO

Played an instrumental role in reengineering financial reporting processes, improving both accuracy and operational efficiency. Engaged deeply with teams evaluating financial trends, translating findings into actionable suggestions for business growth. Played a crucial part in budget preparations, collaborating across departments for cohesive strategic financial planning.

- Implemented innovative procedures for financial reporting that enhanced precision.
- Conducted rigorous analyses unveiling financial trends that shaped departmental strategies.
- Cultivated partnerships across functions for unified workflow during budgeting processes.
- Enhanced communication pathways among departments ensuring streamlined reporting and forecasting.

Financial Analyst

August 2014 - May 2016

Innovative Financial Solutions

Fort Collins, CO

Built high-detail financial models driving informed business decisions grounded in accurate data interpretation. Managed timelines associated with monthly closing activities ensuring variances were thoroughly evaluated. Fostered strong collaboration with accounting teams securing integrity across all reporting dimensions.

- Produced comprehensive financial models supporting key investment decisions.
- Oversaw month-end close activities, aligning reporting metrics with actuals.
- Worked hand-in-hand with accounting teams to ensure prediction reliability.
- Contributed extensively to variance analyses, identifying deviations and underlying causes.

LEADERSHIP & AWARDS

- Recognized as Top Financial Analyst at Strategic Finance Group in 2021 for excellence in reporting.
- Received Team Excellence Award leading implementation of collaborative financial systems throughout Capital Insights.
