SUMMARY

Driven Senior Project Manager with more than five years of experience in leading high-stakes construction and operational improvement initiatives. Adept at fostering communications between clients, contractors, and stakeholders to ensure project clarity and adherence to schedules. Areas of expertise include utilizing Asana for effective task management and workflow optimization. Demonstrated ability to oversee multiple projects concurrently while promoting quality, safety, and compliance within industrial environments. Skilled in developing team capabilities through mentorship and training programs, enhancing overall organizational performance. Committed to continuous improvement and maintaining exceptional client satisfaction.

EXPERIENCE

Senior Project Manager

May 2022 - Present

Innovative Solutions

Worcester, MA

Responsible for managing extensive construction projects, ensuring timelines, quality standards, and regulatory compliance are consistently met. Leadership involves supervising a skilled team and being the primary contact point for client liaison. Coordinate contractor performance while using strategic problem-solving skills to enhance efficiency and output across operations.

- Spearheaded multiple construction projects, enhancing delivery efficiency through strategic oversight.
- Served as primary contact for clients, delivering timely updates that improved satisfaction levels significantly.
- Led a diverse team while implementing targeted training programs that elevated overall project execution capabilities.
- Executed comprehensive inspections ensuring all installations complied with industry standards and quality assurance protocols.
- Evaluated contractor budgets and schedules, aligning projects with operational goals which minimized financial discrepancies.
- Leveraged Asana software to optimize workflows, resulting in better accountability among project teams.

Project Manager

June 2020 - April 2022

Premier Construction Group

Hartford, CT

Oversaw commercial construction project phases from design to completion, adhering strictly to budgets and timelines. Engaged cross-functional resources while cultivating stakeholder trust through clear documentation and regular updates.

- Directed the planning and execution of initiatives valued over \$5M, achieving successful project completions.
- Developed documentation processes strengthening transparency regarding contracts and financial Tracking.
- Collaborated with internal teams enhancing resource management, adhering closely to project timelines.
- Implemented risk mitigation strategies minimizing cost overruns effectively during unforeseen circumstances.
- Conducted site inspections upholding strict safety regulations contextualizing absolute project quality.
- Presented project developments effectively to clients, ensuring continued awareness and project support.

Assistant Project Manager

March 2018 - May 2020

Structural Innovations

New Haven, CT

Supported larger project initiatives by assisting coordination efforts aimed at budget tracking and scheduling improvements. Strengthened communications between teams ensuring that objectives aligned accurately throughout project lifecycles.

- Arrayed demonstrated support on project scheduling benefiting from open communication lines with customers.
- Fostered alignment between different stakeholders through effective facilitation during project actions.
- Researched detailed project risks yielding informed decision-making processes facilitating strategic proposals.
- Streamlined internal collaboration by pushing towards deploying necessary project management systems.
- Empowered new recruits via customized onboarding, building capacity for quality project management delivery.
- Engaged actively in routine strategy meetings driving forward streamlined project executions.

LEADERSHIP & AWARDS

- Recipient of Executive Leadership Award for outstanding staff training and development practices.
- Honored with the Excellence in Quality Assurance recognition for zero safety incidents during 2021.
