STRENGTHS

- 💬 **Clear communication**
During team presentations, explained findings in plain language so classmates could act on next steps.
- ♥️ **Accurate documentation**
Project records stayed orderly after revisions, making information easier for teammates to locate and use.
- ☰ **Priority management**
When deadlines overlapped, tracked assignments visibly and kept work moving without losing important details.
- 👥 **Reliable coordination**
Classmates relied on timely updates during group work, especially when activities needed a clear handoff.
- ♥️ **Service mindset**
Approached project requests with patience and careful listening, then documented actions for smoother follow through.

SKILLS

Communication Documentation
Organization Customer Service
Reporting Record Keeping
Team Collaboration Prioritization
Stakeholder Support
Microsoft Office Service Delivery
Request Resolution
Attention to Detail

SUMMARY

Early career professional prepared to support service center operations through clear **customer communication**, accurate documentation, dependable reporting, and organized follow through. Academic project experience built practical habits for recording requests, preparing updates, coordinating team activities, and managing several priorities at once. Work included structured processes, report preparation, project record maintenance, team presentations, tool supported analysis, and revisions based on feedback. Strong **attention to detail** supports reliable records and consistent **service delivery**. Coursework and supervised project work developed comfort with **Microsoft Office**, customer service, stakeholder communication, and deadline management. A thoughtful approach to requests helps clarify needs, document next steps, and keep activities moving. Ready to contribute steady organization, responsive communication, and accurate operational support in a service center environment.
