SUMMARY

Compassionate veterinarian with a Doctor of Veterinary Medicine degree, dedicated to providing high-quality medical and surgical care for small animals. Proficient in managing preventive healthcare as well as complex and urgent cases, demonstrating strong clinical judgment and effective communication skills. A collaborative approach supported by a genuine passion for animal welfare enhances relationships with pet owners, creating reassuring experiences that strengthen trust. Actively pursuing opportunities to contribute to a modern veterinary practice committed to excellence and compassionate patient treatment.

EXPERIENCE

Associate Veterinarian

Bright Animal Hospital

June 2023 - Present

Los Angeles, CA

Leading veterinary care at a busy animal hospital, handling both routine wellness visits and critical emergencies. Passionate about delivering exceptional service while collaborating with skilled professionals across disciplines. Provides comprehensive assessments and tailors treatment plans effectively.

- Managed diverse caseload including preventive care, diagnostics, and urgent treatment for small animals.
- Collaborated with a team of veterinary professionals to enhance patient care and improve clinical outcomes.
- Developed treatment plans based on thorough assessment and diagnostic findings.
- Conducted surgical procedures while ensuring highest standards of safety and patient comfort.
- Provided education and support to pet owners regarding preventive health and treatment options.
- Engaged in continuous professional development activities to stay current with veterinary practices.

Veterinary Intern

Happy Paws Veterinary Clinic

June 2022 - May 2023

Los Angeles, CA

Gained practical experience working alongside experienced veterinarians, actively participating in the diagnosis and care of various small animal health issues. Developed hands-on skills essential for immediate veterinary practice.

- Assisted in diagnosis and treatment of small animal health issues under supervision of licensed veterinarians.
- Gained hands-on experience managing surgical procedures and post-operative care.
- Conducted routine wellness exams and vaccinations to ensure compliance with health regulations.
- Communicated effectively with pet owners to explain treatment protocols and care instructions.
- Collaborated with support staff to ensure clean and efficient clinic environment.
- Participated in mentorship and training activities to enhance veterinary skills and knowledge.

Volunteer

Paws and Claws Veterinary Services

January 2022 - May 2022

Los Angeles, CA

Volunteered in a community-focused environment, gaining insight into clinic operations while supporting daily tasks that enhanced patient care delivery.

- Supported veterinary staff in daily operations, including patient intake and exam preparation.
- Assisted in maintaining accurate medical records and proper inventory management.
- Participated in community outreach programs promoting responsible pet ownership.
- Observed and learned various veterinary procedures and best practices in animal care.
- Engaged in client communication to foster strong relationships with pet owners.
- Contributed to a team environment focused on improving patient care and clinic efficiency.
