

Ethan Mitchell

Sr. Cybersecurity Operational Risk Officer

☎ (312) 555-2938 ✉ ethan.mitchell@example.com 🌐 linkedin.com/in/ethanmitchell 📍 456 Elm St, Chicago, IL 60616

SUMMARY

Cybersecurity professional brings over 5 years of diverse experience in operational and technology risk management within the financial services sector. Expertise in conducting thorough risk assessments, developing compliance strategies, and collaborating closely with internal and external auditors. Display a strong capacity for strategic thinking, effectively communicating complex risk scenarios to stakeholders, and facilitating regulatory compliance. Driven by continuous improvement principles, eager to enhance organizational security posture and operational efficiency through data analysis and innovative solutions.

EXPERIENCE

Sr. Cybersecurity Operational Risk Officer

SecureTech Solutions 📅 January 2022 - Present 📍 Chicago, IL

Focused on leading operational risk assessments across various technology systems while ensuring stringent compliance with industry regulations. Initiate collaboration with cross-functional teams to implement effective risk management processes and controls. Conduct detailed testing of systems, addressing vulnerabilities effectively, and facilitate reporting to auditors and regulators.

- Lead risk assessments for technology systems and ensure alignment with regulatory frameworks.
- Collaborate across departments to optimize internal control measures and processes.
- Perform detailed system and process testing, identifying potential opportunities for risk mitigation.
- Develop comprehensive risk reports for senior management, influencing strategic decisions.

Operational Risk Analyst

FinSecure Inc. 📅 June 2018 - December 2021 📍 Chicago, IL

Contributed significantly to executing risk assessments while identifying vulnerabilities and recommending enhancements. Supported audit initiatives and created educational resources aimed at promoting best practices in risk management among staff members.

- Assisted in execution of enterprise risk assessments, providing actionable recommendations.
- Coordinated with external auditors during compliance audits, enhancing understanding of risk controls.
- Created training materials and conducted sessions on effective risk management practices.
- Analyzed operational data trends, directly informing decisions on risk-adverse strategies.

LEADERSHIP & AWARDS

- Recipient of the 'Excellence in Security Implementation' Award at SecureTech Solutions, recognized for outstanding contributions to cybersecurity strategies.
- Leadership position in the Tech Students Association, fostering innovation among peers through workshops and events.
