SUMMARY

Experienced accounting professional with over 6 years dedicated to revenue accounting and financial reporting. Proven ability to lead teams in compliance with U.S. GAAP while implementing process improvements that positively impact revenue recognition from contracts. Strong analytical skills support swift identification of issues and facilitation of effective solutions, fostering collaboration across departments. A track record of developing and delivering training programs ensures every team member is equipped for success. Committed to upholding high standards during audits and maintaining the integrity of financial operations.

EXPERIENCE

Revenue Accounting Manager

Bright Future Financial Solutions 📅 January 2023 - Present 📍 Houston, TX

Responsible for overseeing revenue accounting functions ensuring adherence to U.S. GAAP and regional policies across multiple territories. Led a team of accountants towards accurate posting and recognition of revenue from sponsorships, enabling operational efficiency. Developed comprehensive training enhancing capabilities and awareness among staff regarding accounting practices.

- Implemented procedures for revenue recognition assisting in the resolution of complex contributions and agreements.
- Spearheaded initiatives promoting compliance within cross-organizational teams leading to streamlined processes.
- Reviewed and approved revenue journal entries that reinforced adherence to established accounting protocols.
- Established performance metrics cultivating an environment of continuous improvement among revenue accountants.
- Collaborated extensively with senior management to ensure adequate controls are maintained, enhancing overall financial health.
- Coordinated annual audits through meticulous preparation thereby meeting external audit requirements seamlessly.

Senior Accountant

Community Health Trust 📅 June 2019 - December 2022 📍 San Antonio, TX

Played a pivotal role in managing revenue recognition efficiently while analyzing intricate financial agreements ensuring correct applications under accounting standards. Cultivated mentorship amongst junior staff highlighting significant areas for professional growth and departmental cohesion.

- Executed analytical reviews on multi-faceted financial agreements aligning them with recognized accounting methods.
- Championed communication within multidisciplinary teams driving adaptations in workflows which improved efficiency by reducing bottlenecks.
- Delivered extensive training sessions elevating understanding of revenue policies amongst the accounting team participants.
- Engaged successfully with auditors ensuring transparent documentation aligned with comprehensive preparations for auditing services.
- Oversaw integration of new ERP tools advocating for technology utilization towards enhanced operational effectiveness.
- Contributed to strategic planning discussions aimed at overcoming key operational challenges facing regional revenue units.

Revenue Accountant

Visionary Health Group 📅 April 2016 - May 2019 📍 Dallas, TX

Contributed importantly to rigorous revenue accounting processes establishing accuracy in both journal entries and receivable accounts. Collaborated actively during audits supplying essential documentation and engaging with stakeholders.
