EXPERIENCE

Accounting Intern
University Project 📅 January 2026 - Present 📍 Atlanta, GA
As an Accounting Intern, engages in various projects involving tax preparation and auditing, supporting both academic pursuits and real-world simulations. Provides insights into operational improvements through collaboration with fellow students and faculty.

- Collaborated on tax preparation projects, analyzing financial statements and preparing documentation for submission.
- Assisted in audit simulations, identifying discrepancies and proposing corrective actions.
- Developed comprehensive reports based on data analysis to effectively communicate findings to peers.
- Engaged with simulated clients, enhancing relationship-building skills through role-playing exercises.
- Gathered and interpreted financial data to align project objectives with academic standards.
- Utilized Microsoft Excel for financial modeling, boosting efficiency in data handling.

Research Assistant

University Project 📅 September 2025 - December 2025 📍 Atlanta, GA
Contributed as a Research Assistant, focusing on academic research regarding best practices in accounting, working closely with faculty and team members throughout various stages of the research process.

- Supported faculty research by compiling and analyzing relevant data for accurate conclusions.
- Created engaging presentations summarizing findings for academic conferences, reinforcing communication skills.
- Participated actively in weekly meetings to discuss project progress and address challenges faced.

MY CAREER

Accounting Intern at University Project (6 Months)

Research Assistant at University Project (3 Months)

Capstone Project Developer at Academic Research (4 Months)

- Maintained organized documentation aligned with academic requirements, ensuring thoroughness.
- Used statistical software for in-depth data interpretation, impacting project accuracy.
- Cultivated a collaborative environment by providing constructive feedback to fellow researchers.

Capstone Project Developer

Academic Research 📅 January 2025 - May 2025 📍 Atlanta, GA

Focused on developing a capstone project exploring tax legislation's impact on small businesses, integrating extensive research methodologies throughout the project lifecycle.

- Designed a structured capstone project with clear objectives, effective methodologies, and expected outcomes.
- Conducted literature reviews and necessary data collection, bolstering project credibility.
- Drafted a detailed plan that incorporated innovative ideas aimed at presenting findings clearly.
- Utilized Microsoft Office tools rigorously for reports, ensuring documentation met professional standards.
- Enhanced problem-solving abilities through collaboration in simulating real-world scenarios.
- Earned commendations from faculty reflecting depth and creativity in research approaches.
