SUMMARY

Detail-oriented accounting professional with over three years of experience in financial operations including general ledger maintenance, account reconciliation, and financial reporting. A proven track record supports management decision-making through precise data analysis. Knowledgeable about GAAP compliance and internal controls, focusing on improving accounting efficiency. Skilled at collaborating with cross-functional teams for business objectives and streamlining financial operations while ensuring accurate record-keeping and timely reporting. Eager to contribute valuable insights from experience to support operational excellence in a new role.

EXPERIENCE

Junior Accountant

Greenwood Hotel Group  June 2025 - Present  Dallas, TX

Serves as Junior Accountant overseeing the hotel's daily financial operations, maintaining accurate records, and delivering comprehensive financial reports to management.

- Prepare and post daily journal entries demonstrating a keen attention to detail and \$100K+ in monthly transactions.
- Reconcile bank and credit card accounts effectively, uncovering discrepancies and enforcing corrective measures for integrity.
- Collaborate closely with management during month-end close processes, preparing reliable financial statements for strategic decisions.
- Generate performance reports on occupancy, revenue metrics, providing valuable insights for executive leadership.
- Support both internal and external audit processes by supplying essential documentation and transparency according to GAAP standards.
- Identify improvement opportunities in procedures that enhance accuracy and efficiency across accounting operations.

Accounting Assistant

Silver Oaks Resort  January 2024 - May 2025  Irving, TX

Provided crucial support within the accounting team, managing both accounts payable and receivable functions to ensure steady financial operations.

- Assisted with monitoring outstanding customer balances and efficiently processed invoices for group events, optimizing cash flow.
- Reviewed vendor invoice approvals thoroughly, enhancing processing time for payments and upstream workflows.
- Maintained meticulous vendor files including W-9 documentation ensuring adherence to best practices in vendor management.
- Participated in budgeting activities that shaped future financial plans, aligning departmental goals with corporate strategy.
- Facilitate payroll-related reconciliations against the general ledger, contributing to smooth operational execution.
- Enhanced accounting processes by consistently seeking out areas for improvement, yielding significant operational gains.

LEADERSHIP & AWARDS

- Recognized as Employee of the Month for exceptional accuracy and support during high-traffic financial periods.
- Achieved certification as a Certified Bookkeeper furthering commitment to professional excellence in the accounting domain.
