SUMMARY

Compassionate Registered Nurse with over 5 years of experience delivering exemplary patient care in various healthcare environments. Experienced in thorough patient assessments, developing care plans that align with organizational goals, and implementing superior treatment strategies. Focus on improving patient outcomes through evidence-based practices and team collaboration. Skilled in medication administration, triage, and patient education, while constantly seeking opportunities for professional growth. Strong commitment to ethics and compliance in nursing processes also plays a crucial role in providing high-quality care. Eager to contribute skills to HealthFirst Medical Group's mission.

EXPERIENCE

Staff Nurse

CareWell Health Services 📅 March 2022 - Present 📍 Chicago, IL

Deliver nursing care within a busy healthcare facility focused on patient-centered outcomes. Collaborate across disciplines to ensure effective care delivery to all patients while adhering to safety protocols and ethical standards.

- Provide comprehensive nursing assessments and develop individualized care plans suited to patient needs.
- Administer medications accurately and monitor responses to manage patient conditions safely.
- Educate patients and their families about ongoing health management and recovery strategies.
- Participate in quality improvement initiatives, contributing to enhanced department performance.

Registered Nurse

Springfield Community Hospital 📅 June 2019 - February 2022 📍 Springfield, IL

Contributed to delivering exceptional nursing support in a bustling hospital setting. Managed triage duties and coordinated with interdisciplinary teams ensuring optimal patient care experiences.

- Conducted diligent patient assessments and coordinated care with medical teams for timely interventions.
- Implemented pain management protocols and regularly assessed patient's progress throughout treatment.
- Enhanced patient satisfaction and safety by adhering to established nursing best practices.
- Collaborated effectively with other nurses and healthcare workers to facilitate efficient workflows.

Nursing Intern

Green Valley Nursing Home 📅 January 2018 - May 2019 📍 Green Valley, IL

Assisted seasoned nurses in the provision of care to elderly residents, learning hands-on techniques for patient care and medication administration. This role fostered essential teamwork and foundational nursing skills.

- Supported daily living activities for resident patients, paying attention to individual needs and dignity.
- Observed and documented nurse interactions meticulously for each patient's care plan accuracy.
- Gained exposure to working collaboratively as part of a diverse healthcare team.
- Enhanced practical knowledge by learning directly from nursing staff's engagement with patients.

LEADERSHIP & AWARDS

- Employee of the Month Award at CareWell Health Services for outstanding patient care and collaboration.
- Certificate of Excellence in Patient Safety from Springfield Community Hospital for improving clinical outcomes.
