SUMMARY

Compassionate Registered Nurse with over four years in emergency departments. Proven skills in assessing patient needs and developing tailored care plans. Successfully collaborates with multidisciplinary teams to enhance patient outcomes. Focused on continuous professional growth, currently pursuing a Bachelor of Science in Nursing. Recognizes the importance of integrating discharge planning into patient transition processes. Dedicated to upholding high standards of nursing practice and improving patient experiences through effective communication and teamwork.

EXPERIENCE

Emergency Department Nurse

Sunshine Medical Center 📅 March 2023 - Present 📍 Naperville, IL

Lead nurse managing comprehensive care for patients in fast-paced environments. Utilize advanced assessment techniques and strategies to monitor and modify treatment plans. Collaborating across disciplines enhances patient-centered approaches and outcomes.

Demonstrates accountability in executing protocols and providing quality evaluations of care.

- Deliver patient-centered care effectively in high-acuity scenarios.
- Assessed patient needs while collaborating with physicians to create individualized care plans.
- Utilized assessment skills continuously to adjust care based on evolving patient conditions.
- Engaged in collaborative efforts during patient care conferences to refine treatment strategies.

Staff Nurse

Caring Hands Hospital 📅 June 2021 - February 2023 📍 Chicago, IL

Facilitated comprehensive nursing care recognizing diverse patient needs as a member of the emergency team. Developed and implemented effective patient care plans adhering strictly to clinical guidelines. Ensured medications and treatments were administered safely, fostering strong patient education relationships.

- Managed targeted nursing care initiatives contributing significantly in the emergency department.
- Crafted unique care plans from detailed patient assessments.
- Safely delivered medications and performed treatments aligned with standard protocols.
- Educated patients and families about health management practices and post-operative recovery.

Nursing Intern

HealthFirst Clinic 📅 January 2020 - May 2021 📍 Joliet, IL

Supported experienced nurses by assisting in patient assessments and documentation tasks within various healthcare settings. Gained foundational experience beyond coursework, enriching practical understanding of patient care protocols.

- Contributed actively to patient assessments with ongoing supervision.
- Enhanced documentation skills under the direction of seasoned professionals.
- Participated in educational initiatives aimed at promoting wellness among patients.
- Built rapport with staff members, learning essential components of patient care.
