STRENGTHS

- ♥ **Patient-Centric Approach**
Consistently prioritize patient comfort and safety, contributing positively to their surgical experience.
- 👥 **Team Collaboration**
Actively engage with healthcare teams to ensure seamless communication enhances surgical procedures.
- 🔄 **Adaptability**
Remain composed under pressure, adjusting strategies swiftly during unexpected surgical scenarios.
- 👤 **Mentorship Skills**
Foster a culture of learning by mentoring less-experienced technicians, sharing best practices and industry insights.
- ✓ **Attention to Detail**
Thoroughly document procedures and safety protocols ensuring precise records and compliance in operations.

Patient communication

pediatric care assistance

SUMMARY

Dedicated Surgical Technician with over four years of experience in fast-paced clinical environments. Proven ability to assist during complex surgical procedures, ensuring patient safety and comfort at all times. Expertise includes preparing instruments, maintaining sterile fields, and conducting pre-operative and post-operative care efficiently. Maintains thorough documentation for patient records while collaborating closely with surgeons and healthcare teams. Regularly mentors newer staff, fostering growth and adherence to best practices. Motivated by the opportunity to make a meaningful impact on patient outcomes at HealthFirst Surgical Center.

EXPERIENCE

Surgical Technician

Metro Surgical Associates 📅 May 2022 - Present 📍 Atlanta, GA

Oversee surgical procedures in a busy surgical environment, supporting top surgeons directly and facilitating effective patient care.

- Managed sterilization of surgical equipment, ensuring full compliance with infection control protocol.
- Supported various surgical procedures, which helped enhance efficiency and contribute positively to patient recovery.
- Executed meticulous monitoring of patient vitals, troubleshooting issues swiftly to prevent complications.
- Worked collaboratively with multidisciplinary teams to optimize operational workflows and improve patient satisfaction results.
- Engaged in nurturing talent by mentoring junior technicians, playing an instrumental role in enhancing departmental capabilities.
- Drove the implementation of evolving sterilization techniques that effectively reduced turnaround time for instruments.

Surgical Technician

Southeast Surgical Center 📅 June 2020 - April 2022 📍 Atlanta, GA

Contributed to myriad surgical operations utilizing extensive knowledge of surgical protocols to maintain safety and quality.

- Assisted surgical teams through diverse high-stakes procedures, adhering strictly to standards guaranteeing patient trust.
- Conducted all preparatory activities prior to surgery, such as positioning patients and verifying instrument availability.
- Participated actively in dressing changes and other vital signs checks post-surgery along with comprehensive assessments.
- Compiled extensive records of surgeries performed, contributing significantly to health audits and performance appraisals.
- Initiated discussions in team meetings targeting improvements on not just process but also overall safety measures.
- Took part in scheduled emergency drills resulting in preparedness and improved response times for unforeseen situations.
