EXPERIENCE

Teller Intern

May 2026 - Present

University Project

Ann Arbor, MI

Engaged as a Teller Intern, supporting operational efficiency and enhancing customer satisfaction in banking transactions. Assisted customers effectively, fostering positive relationships. Collaborated with teams on daily financial operations, ensuring integrity in processes.

- Processed daily customer deposits and withdrawals, maintaining accuracy and adherence to policies.
- Facilitated sales of financial instruments, contributing to enhanced customer engagement.
- Conducted remittance transactions, including RMB cash deposits and foreign currency exchanges.
- Balanced cash drawers daily, ensuring precise records for USD and CNY.
- Verified identities for check transactions, ensuring compliance with anti-money laundering laws.
- Delivered exemplary customer service, cultivating strong client relationships.

Finance Lab Assistant

September 2025 - April 2026

Academic Research

Ann Arbor, MI

Served as a Finance Lab Assistant, contributing to academic research efforts while enriching personal understanding of industry practices. Collaborated closely with faculty to support ongoing studies and prepare educational presentations.

- Analyzed market trends and compiled data reports, aiding in financial project completion.
- Assisted in developing presentations focused on regulatory changes for stakeholders.
- Prepared financial models and forecasts collaboratively, applying complex analytical techniques.
- Engaged with faculty for deeper insights into banking practices and regulations.
- Utilized Microsoft Office tools to maintain detailed records of findings.
- Helped organize banking service workshops aimed at elevating peers' financial literacy.

Financial Services Development

January 2026 - April 2026

Capstone Project

Ann Arbor, MI

Contributed extensively to a capstone project that analyzed and improved customer service strategies within banking environments. Conducted thorough research to inform actionable recommendations and effective project outcomes.

- Developed a robust plan focusing on efficiency and enhancing customer satisfaction in banks.
- Conducted surveys for client feedback, translating insights into strategic recommendations.
- Presented findings compellingly, receiving peer commendation for depth of analysis.
- Researched best practices within financial industries to substantiate suggested improvements.
- Collaboratively implemented mock customer service strategies, resulting in favorable responses.
- Created promotional materials aimed at students to increase awareness of banking services.
