SUMMARY

Dedicated and compassionate Physical Therapist with a Doctorate in Physical Therapy, offering over a year of clinical experience across diverse rehabilitation settings. Developed and implemented customized treatment programs that optimize patient mobility, ensuring thorough assessments to support recovery journeys. Known for strong communication skills and effective collaboration with interdisciplinary healthcare teams, enhancing overall patient care. Committed to evidence-based practices while placing great emphasis on educating patients and their families, empowering them during this healing process. Eager to leverage experiences and insights gained to contribute positively in future roles.

EXPERIENCE

Physical Therapy Intern

University Research Lab 📅 June 2025 - Present 📍 Champaign, IL

Support various research initiatives as Physical Therapy Intern, assisting leading faculty members in rehabilitation studies and patient assessments. Gained direct exposure to conditions requiring varied physical therapy interventions, collaborating closely in multi-disciplinary settings to enhance research outcomes.

- Conducted detailed assessments of patient conditions, allowing precise development of individualized treatment plans tailored to unique needs.
- Designed and implemented rehabilitation strategies aimed at optimizing patient progress, fostering motivation among diverse patient populations.
- Worked collaboratively with clinicians in evaluating effective therapy interventions, prioritizing best-practice standards to improve service quality.
- Documented patient outcomes thoroughly, maintaining regulation compliance and sharing insights through team discussions.
- Facilitated engaging workshops focused on educating patients and families about recovery techniques, promoting informed participation in treatment.
- Participated actively in clinical research assessing the effectiveness of different therapeutic approaches, contributing to continuous improvement.

Physical Therapy Assistant

Health First Rehabilitation Center 📅 January 2024 - May 2025 📍 Peoria, IL

Assisted licensed therapists in delivering high-quality care, supporting effective rehabilitation processes while refining hands-on skills and patient interaction capabilities. Cultivated a patient-centered approach increasing client satisfaction and engagement.

- Collaborated on treatment plans, helping execute physical therapy sessions per licensed therapist's guidance, leading to improved patient rapport.
- Monitored patient progress meticulously, documenting changes and efficacy to inform strategic adjustments in actions taken.
- Educated patients on exercises and safe techniques to maximize recovery potential, reinforcing continuity of care philosophy.
- Fostered smooth communication between patients and healthcare providers, efficiently addressing concerns to improve therapeutic alliances.
- Managed therapy equipment, ensuring a hazard-free environment vital for maximizing session effectiveness.
- Engaged in professional development initiatives, participating in workshops that enhanced skills in innovative therapeutic practices.

LEADERSHIP & AWARDS

- Dean's List, University of Illinois (2022 - 2025)
- Research Presentation Award, Annual Physical Therapy Conference (2026)

Interpersonal Skills Empathy

Spanish Intermediate

A donut chart with a light blue background and a white center. The text "2.4 YEARS" is displayed in the center. The chart is divided into two segments: a larger light blue segment and a smaller white segment.
