SUMMARY

Compassionate Registered Nurse possessing over 5 years of experience in high-stakes critical care environments. Committed to delivering exceptional patient care by monitoring vital signs and facilitating meaningful assessments. Evidence includes forging strong partnerships with healthcare teams to create effective care plans while applying knowledge from extensive hands-on nursing exposure. Education and advocacy guide interactions, empowering patients and families to actively manage their health. Eager to embrace new challenges in diverse clinical settings through a travel nursing position, capitalizing on nursing expertise for optimal patient outcomes.

EXPERIENCE

ICU Registered Nurse

Caring Heart Medical Center 📅 January 2022 - Present 📍 Peoria, IL

Responsible for comprehensive nursing tasks, including close monitoring of ICU patients' conditions and potential changes. Collaborate actively with physicians and fellow nurses to establish customized care strategies tailored to each patient's needs. Frequent involvement in family discussions centered on progress fosters a supportive environment surrounding challenging decision-making.

- Administer prescribed medications and maintain detailed patient documentation.
- Respond promptly to urgent medical situations, coordinating necessary interventions.
- Participate in collaborative team meetings that enhance cross-functional communication.
- Engage continuously in quality assurance practices to reinforce safety measures.

Registered Nurse

Wellness Healthcare Services 📅 June 2020 - December 2021 📍 Rockford, IL

Played a key role in providing direct patient care services within a bustling emergency room setting. Responsibilities included the administration of medications, detailed wound care, and mentoring newly onboarded interns during orientation.

- Conduct patient assessments to prioritize care delivery based on individual conditions.
- Collaborated among interprofessional teams to streamline effective patient treatments.
- Identified areas needing improvement and champion initiatives to boost safety.
- Led training sessions that enhanced staff preparedness in responding to acute scenarios.

Nursing Intern

Springfield General Hospital 📅 May 2018 - August 2018 📍 Springfield, IL

Single-handedly completed numerous clinical rotations, honing skills about patient assessment strategies and care delivery best practices. Strengthened abilities in teamwork and professional relations under supervision, gaining insights into nursing protocols.

- Assisted attending nurses in conducting vital checks and managing assigned patient loads.
- Participated in feedback sessions geared towards optimizing internship experiences.
- Support clerical functions which further instilled importance of comprehensive organization.
- Actively engaged in inter-departmental meetings sharing updates and patient cases.

LEADERSHIP & AWARDS

- Nurse of the Month, Caring Heart Medical Center, March 2023. Recognized for exemplary patient advocacy and teamwork.
- Quality Improvement Recognition, Wellness Healthcare Services, November 2021. Honored for enhancing safety measures in patient care.
