SUMMARY

Compassionate Licensed Practical Nurse with specialized expertise in addiction and MAT nursing. Proven ability to craft therapeutic environments focused on patient recovery. Experienced in administering medications, managing treatment plans, and educating patients about care options. Skilled in staff training for health protocols and compliance. Excited to join a dynamic team that values comprehensive patient support and recovery principles.

EXPERIENCE

Licensed Practical Nurse

Community Health Services 📅 June 2024 - Present 📍 Chicago, IL

Providing holistic nursing support in an inpatient setting for patients recovering from substance use disorders, partnering closely with supervisory staff to ensure optimal care practices are implemented.

- Established supportive environment promoting patient recovery and engagement.
- Administered medications as directed, ensuring patient compliance with treatment plans.
- Conducted Mantoux Testing, interpreted results, and scheduled follow-up care for clients.
- Coordinated appointments and managed referrals to improve patient access to healthcare.
- Designed and led training sessions for staff on key CPR and First Aid skills.
- Oversaw procurement of medical supplies, maintaining essential resources for patient care.

Nursing Associate

HealthFirst Clinics 📅 January 2023 - May 2024 📍 Peoria, IL

Assisted in delivering quality patient care under the direction of registered nurses, focusing on medication management and patient education.

- Supported medication administration according to physician directives for optimal patient outcomes.
- Educated clients on methadone maintenance therapy, addressing potential side effects.
- Collaborated with interdisciplinary teams, ensuring comprehensive care delivery.
- Contributed to systematic staff training, enhancing clinical readiness among team members.
- Provided vital health education tailored to pregnant clients' needs for improved outcomes.
- Ensured cleanliness and compliance with health regulations within the clinical space.

Student Nurse Intern

Springfield Nursing Home 📅 August 2022 - December 2022 📍 Springfield, IL

Participated actively in patient care alongside experienced nursing staff, culminating hands-on experience crucial for developing nursing competencies.

- Engaged in medication administration activities, gaining practical exposure to nursing protocols.
- Assisted in patient assessments by documenting vital signs and any health changes.
- Fostered comfort and well-being among residents, positively impacting their healthcare experiences.
- Aided in equipment maintenance, ensuring adherence to safety standards.
- Joined forces with healthcare teams to deliver patient-centric care based on individualized needs.
- Developed educational resources focused on wellness relevant to patient populations.

LEADERSHIP & AWARDS

- Dean's List, Springfield Community College, 2023
- Nursing Excellence Award, Springfield Community College, 2024

EDUCATION

Diploma in Practical Nursing

STRENGTHS

♥ Empathy

Compassionately connect with patients and colleagues, understanding their challenges and emotions in ways that foster trust and support.

✓ Attention to Detail

Consistently met patient needs through precise administration of medications and thorough monitoring, reinforcing the significance of safety in nurse practices.

💬 Communication Skills

Effectively educated patients about health and wellness topics, bridging gaps between complex information and understandable concepts.

👥 Team Collaboration

Worked alongside diverse healthcare professionals, establishing strong communication flows that streamlined patient care management, leading to enhanced teamwork.

🔄 Adaptability

Fluidly adjusted care strategies in response to patient feedback or changing circumstances, exemplifying resilience and commitment to effective care.
