STRENGTHS

- Compassionate Caregiver**
Always prioritize patient welfare, gaining trust and increasing satisfaction through empathy.
- Effective Communicator**
Strongly convey complex information, making it accessible for patients and their families during critical times.
- Team Player**
Colleagues recognize nurturing teamwork that drives collaborative success; frequently called upon for support in complex cases.
- Adaptable**
Flexibility ensures swift adjustments to changing patient needs while aligning duties with hospital policies effectively.
- Detail-Oriented**
Carry out precise charting and documentation to cover legal aspects and improve care strategy approaches.

SUMMARY

Compassionate and driven registered nurse with a focus on critical care and extensive experience in diverse healthcare settings. Proven ability to excel in high-pressure environments, ensuring top-quality patient care and collaboration with multidisciplinary teams. Skilled in utilizing advanced patient management systems and protocols, with a firm understanding of the latest nursing practices in ICU settings. Committed to ongoing professional development and maintaining up-to-date knowledge in the field of nursing. Eager to leverage clinical expertise and strong communication skills to contribute positively to patient outcomes and enhance team effectiveness in a travel nursing capacity.

EXPERIENCE

ICU Travel Nurse

Northwestern Memorial Hospital 📅 June 2023 - Present 📍 Chicago, IL

Provided highly skilled nursing care in a busy ICU setting, catering to patients with critical needs. Collaborated with healthcare teams for effective treatment planning and execution. Adapted quickly to varying healthcare environments while ensuring compliance with protocols and regulations. Monitored vital signs and documented patient information accurately.

- Delivered high-quality nursing care to patients in the ICU.
- Monitored patients' conditions and collaborated with medical staff for optimal treatment.
- Assisted in the education of patients and families regarding care plans and health management.
- Maintained accurate patient records and documentation in compliance with healthcare regulations.

Maternity Ward Nurse

Rush University Medical Center 📅 February 2022 - May 2023 📍 Chicago, IL

Facilitated care for maternity patients during labor and delivery periods, focusing on safe childbirth processes. Worked closely with obstetricians and pediatricians to deliver integrated care, educating new parents. Prepared comprehensive reports on patient progress, ensuring adherence to best practice standards.

- Ensured each patient received personalized care based on individual circumstances.
- Documented all assessments and care interventions accurately.
- Educated families about postnatal care and infant health essentials.
- Collaborated seamlessly with interdisciplinary teams for coordinated treatments.

Licensed Practical Nurse (LPN)

Advocate Health System 📅 August 2020 - January 2022 📍 Chicago, IL

Administered bedside care to patients in both acute and chronic conditions, effectively managing their pain and recovery processes. Developed strong relationships with patients through empathetic and attentive service while crucially supporting RNs in a fast-paced environment.

- Assisted RNs in delivering quality patient care by performing essential healthcare tasks.
- Implemented patient management protocols focused on comfort and healing.
- Supported care transitions and patient education alongside clinical staff.
- Built lasting rapport with patients, making their experiences as positive and comfortable as possible.
