Hiring Manager
Jackson Therapy Solutions
St. Louis, MO

Dear Hiring Manager,

I am thrilled to apply for the Travel Physical Therapist position at Jackson Therapy Solutions. This opportunity closely aligns with my passion for helping patients recover and thrive in new environments.

At HealthFirst Rehabilitation, I contributed to an inspiring team, focusing on trauma rehabilitation. Witnessing patients regain strength and mobility rarely felt ordinary—it was enriching. I used evidence-based methods to develop tailored treatment plans that promoted recovery. Collaborating with a multidisciplinary team allowed me to understand diverse needs and achieve remarkable results.

In my internship at CareWell Therapy Center, I faced challenges while learning. Supporting licensed therapists shaped my understanding of patient-centric care. Every day presented a new situation, from developing exercise plans to educating patients on recovery strategies. I noticed how vital communication remained during treatment. I strive to foster positive relationships, ensuring patients feel understood.

I feel excited about the potential to join Jackson Therapy Solutions. Your commitment to delivering high-quality care inspires me. I appreciate the opportunity to travel, learn, and grow while enhancing patient lives. This aligns with my dreams, personally and professionally.

I look forward to discussing how I can best contribute to your team.

Thank you,

Riya Rosario
