Hiring Manager
Jackson Therapy Partners
Oklahoma City, OK

Dear Hiring Manager,

I am thrilled to apply for the Travel Physical Therapist Assistant role at Jackson Therapy Partners, as this position aligns perfectly with my passion for patient rehabilitation and the pursuit of enhancing mobility, allowing patients to move better, feel invigorated, and remain active in their daily pursuits.

Being a supportive member of a healthcare team is not simply a job; it is a calling. My experience delivering patient-centered care focuses on collaboration, compassion, and effective communication. I fully believe that assisting patients while they recover from injuries is integral to helping them regain their independence, both physically and emotionally.

Currently, in my role as a Physical Therapy Assistant, I collaborated on treating patients recovering from surgery, which brought tangible improvements in their mobility and quality of life. Reporting their progress to licensed therapists helped adapt their treatment plans accordingly, demonstrating my ability to effectively contribute to team goals.

Furthermore, I have gained experience that extends beyond basic competencies. My research assistance involved a project that honed my ability to analyze data regarding physical therapy interventions, providing insights into effective strategies that ultimately benefit patient care across multiple settings.

My commitment to continuous learning drives me to engage with professional development opportunities, nurturing both my skills and patient outcomes. I am eager to bring my knowledge and dedication to Jackson Therapy Partners, working with your esteemed team to make real, impactful differences in patients' lives.

Thank you for your consideration.

Sincerely,

Athena Hart
