STRENGTHS

- Communication Skills**
Engagement with diverse patient backgrounds has fostered strong rapport-building capabilities.
- Collaboration**
Value-driven partnerships with healthcare providers enhance comprehensive patient care.
- Attention to Detail**
Thoroughness in record maintenance supports compliance and quality assurance efforts.
- Adaptability**
Eagerly embraced various imaging technologies, demonstrating resilience in dynamic settings.
- Quality Assurance Mindset**
Proactively engaged in improving departmental procedures highlights commitment to excellence.

SUMMARY

Dedicated Ultrasound Technologist with over 2 years in ultrasound services across diverse clinical environments. Experience includes performing diagnostic imaging, collaborative patient care, and managing health records reliably. Proficient in utilizing advanced ultrasound equipment while ensuring compliance with safety protocols. Successfully partnered with healthcare teams to optimize patient outcomes. Skilled in training junior staff on best practices, contributing actively to quality assurance initiatives that prioritize patient comfort and safety. Committed to continuous professional growth, seeking opportunities to bring substantial value to a dedicated healthcare facility.

EXPERIENCE

Ultrasound Technician

University Research Lab 📅 January 2025 - Present 📍 Nashville, TN

Fulfilled responsibilities as an Ultrasound Technician in a research setting focusing on high-quality imaging and patient-centered approaches. Assisted senior staff by executing well-defined ultrasound procedures while implementing safety standards and technical best practices. Actively contributed to improving operational workflows through persistent attention to detail.

- Executed ultrasound imaging procedures, adhering strictly to established protocols and patient safety measures.
- Collaborated closely with multidisciplinary healthcare professionals, significantly enhancing the overall quality of patient care.
- Developed training materials for junior staff on ultrasound techniques and operational best practices, promoting consistent skills enhancement.
- Conducted assessments and maintained ultrasound equipment, ensuring optimal functionality and reliability.
- Maintained detailed records of patient examinations and findings, reinforcing departmental adherence to healthcare regulations.
- Engaged in quality assurance initiatives, contributing to heightened diagnostic accuracy and improved patient outcomes.

Ultrasound Intern

Health Imaging Center 📅 June 2024 - December 2024 📍 Nashville, TN

Participated in an internship role gaining hands-on experience monitoring procedures focused on ultrasound examinations. Supported lead technologists, bolstered soft skills, and acquired practical knowledge critical to delivering exceptional patient care.

- Supported lead technologists, assisting in conducting a variety of ultrasound examinations and learning critical imaging techniques.
- Engaged with patients effectively, explaining both procedures and ensuring comfort throughout their experience.
- Documented patient information and ultrasound findings meticulously, enabling streamlined communications with physicians.
- Contributed to weekly team meetings that discussed case studies aimed at elevating imaging skills and workforce development.
- Assisted with upkeep and calibration of ultrasound equipment, maintaining excellent operational performance.
- Shadowed seasoned technologists, acquiring insights into patient interaction strategies and advanced imaging processes.

LEADERSHIP & AWARDS

- Outstanding Service Award for patient care excellence, Health Imaging Center, 2024.
- Recipient of Academic Excellence Award, Nashville State Community College, 2026.

MY CAREER

- Ultrasound Technician at University Research Lab (1.5 Years)
- Ultrasound Intern at Health Imaging Center (6 Months)

EDUCATION

Bachelor's Degree in Diagnostic Medical Sonography
Nashville State Community College 🎓 GPA: 3.8 📅 2026 📍 Nashville, TN
***Coursework:** Clinical Imaging, Patient Care, Record Management, Ultrasound Technology*

CERTIFICATIONS

- BLS Certification 📅 2026
- ARRT (S) 📅 2026
- ARDMS Certification 📅 2026

TECHNICAL SKILLS

- **Imaging Equipment:** Sonosite, GE Logiq E9, Philips iU22
- **Diagnostic Techniques:** Abdominal Ultrasound, Cardiac Ultrasound, Vascular Ultrasound
- **Patient Software Systems:** Epic, Allscripts, McKesson
- **Compliance Frameworks:** HIPAA, ACR Appropriateness Criteria, CDC Guidelines
- **Safety Standards:** Joint Commission Standards, State Regulations, FDA Compliance
- **Analysis Methods:** Image Interpretation, Documentation Protocols, Reporting Procedures
- **Team Tools:** MedTech Workspace, Microsoft Teams, Slack
- **Clearance Certifications:** ARRT, ARDMS, BLS
- **Data Management:** Electronic Health Records, Database Systems, Data Entry Practices
- **Training Methodologies:** Hands-On Workshops, Digital Learning Platforms, Role-Playing Exercises

PROFESSIONAL AFFILIATIONS

- Member of the American Society of Echocardiography (ASE).
- Active participant in local healthcare community volunteer programs.
