

Irina Decker

Travel Vascular Sonographer

JULY 19, 2026

Hiring Manager
AHS Health Solutions
Aurora, CO

Dear Hiring Manager,

I am excited to apply for the Travel Vascular Sonographer position at AHS Health Solutions. This opportunity allows me to leverage my growing skills and passion for vascular ultrasound while furthering my career in this vital field.

During my most recent engagement as a Vascular Ultrasound Research Assistant, I collaborated with faculty and medical teams on a research project aimed at enhancing diagnostic accuracy. My role involved conducting numerous examinations, which not only improved my technical skills but also helped alleviate patient concerns through effective communication and education.

I take pride in my commitment to patient comfort and safety. Ensuring a smooth workflow while maintaining regulatory compliance remains paramount in my practice. At the Student Lab, I gained hands-on experience and honed my abilities in maintaining laboratory equipment and preparing patients for procedures. This experience has been critical in nurturing my passion for this specialized field.

Despite facing challenges during my internship, I sought guidance and transformed hurdles into opportunities for growth. My journey has bolstered my resolve to support patients effectively. I aim to bring that loyalty and expertise to AHS Health Solutions, where I believe my skills can contribute meaningfully.

I look forward to discussing how I can add value to your esteemed organization.

Sincerely,

Irina Decker
